

# Qualified Expenses

Out-of-pocket medical expenses are defined by the IRS. Read [What is a Qualified Medical Expense?](#) for more information.

## Common Examples

- Medical, dental, and vision
- Co-payments, deductibles, co-insurance
- Prescription drugs
- Orthodontics
- Chiropractic
- Laser Eye Surgery
- Physical Therapy
- Naturopathic office visits

Some items such as massage therapy may require a letter of medical necessity. Call the Customer Care Center if you're unsure whether an expense is reimbursable
