COVID Protocol

- Outdoor Dining: We have two large outdoor dining tents for everyone to enjoy their "to go" meals.
- We've installed over 50 hand sanitizer dispensers around the facility. Also, there are soap dispensers in each cabin.
- Ongoing COVID testing for our staff.
- We're asking anyone to stay home if they have any of the CDC COVID-19 symptoms.
- If anyone tests positive while at camp, the person will be isolated until transportation home can be arranged.

CAMP CANADENSIS
FIFTH GRADE ENVIRONMENTAL EDUCATION TRIP

ROLES AND RESPONSIBILITIES OF PARENT SUPERVISORS

Arrival on Wednesday

Arrive at school at 7:45 a.m.
Assist staff members in loading buses.

Parent Transportation:

Try to carpool; leave before buses so you can drive your gear to your cabin and return your car to the parking lot before the buses arrive. **All cars must be parked in designated lot before buses arrive.** If you arrive after the buses, you will not be permitted onto the grounds until after the buses depart!

Upon arrival at Camp Canadensis:

Assist staff members with unloading of buses. Spread out luggage and bags so that children can easily identify their belongings.

Report to assigned cabin **before** children so that you can supervise bunk selections and unpacking. This is important so that there are no arguments about who sleeps on the top or bottom bunk. Suggest they switch from top to bottom on the second night if both want to sleep on top.

ONLY ONE CHILD MAY SLEEP IN A BED. PLEASE MAKE SURE TWO OR THREE CHILDREN DO NOT GATHER ON THE TOP OF ONE BUNK.

All must report to the dining hall promptly at 10:50 a.m. Children meet on the rear deck; adults meet inside the dining hall.

During All Meals:

Sit at assigned table with children from your cabin.
Select 2 children at each meal to clear tables of pitchers & condiments on a rotating basis.
Make sure that children that need to take medications before or after meals go to the Medical Cabin for medications.
Make sure children stay in their seats until they are called to the serving line. They may get up to get seconds.
Make sure there is no running, yelling, or shouting in dining hall.
Stay with your group until children are dismissed to report to the next lesson or activity.

During All Learning Group Lessons:

Make sure you arrive at lessons on time.
Assist the teacher with taking attendance; if a child is missing, report this to a principal, Mr. Tracy, Mr. Miller, or Mr. Nowak immediately.
Assist the teacher with lesson materials or activities as needed.
Make sure children are paying attention.
Assist children who are having difficulty following procedures or participating in activities.
Stay with your group at all times and walk them to the next lesson, to the dining hall or to the area of the camp where the cabins are located according to the schedule.

If a child has to go to the bathroom, an adult must accompany the child to his/her cabin, the Rec. Hall, Dining Hall, or nearest cabin. Children may not go into just any cabin to use the bathrooms unless an adult is with them.

During Cabin Time Before Dinner on Wednesday and Thursday:

- Parent/staff supervisors should periodically check attendance when children are supposed to be in or around their cabins.
- Make sure children wash up before dinner.
- Children may read or talk quietly. It should be a calm and quiet time.
- Children may sit outside of their cabins on the lawn in front of the cabins or on the steps of the cabin. There should be no running around the camp or loud and boisterous behavior in the cabins during this time.
- Walk your children to dinner five minutes before the scheduled dinner time.
- Parent/staff supervisors are responsible for maintaining good behavior in cabins at all times.
- Parent/staff supervisors are also responsible for advising children to wear appropriate clothing based on temperature and weather conditions.

During Recreation Time After Dinner on Wednesday and Thursday:

- Parent supervisors will be assigned to a recreation activity after dinner on either Wednesday or Thursday night as well as before lunch on Thursday afternoon. The other night they are welcome to do what they want - even take a nap on the beach. Sign-up for supervising rec. time activities will take place during mealtimes in the dining hall.

During Evening Activities in the Recreation Hall at 7:45 p.m. on Wednesday and Thursday:

- All parent and staff supervisors should report to the Recreation Hall at 7:45 p.m.
- At 7:45 p.m., the children will be given a snack. Parent/staff supervisors will be asked to assist with distribution of the snacks and supervise children as they eat their snacks in the Rec. Hall.
- Children will have the choice of playing games with music in the Rec. Hall or watching a movie in the theatre or playing Bingo in the Dining Hall on Wednesday and Thursday.
- We will need parent/staff volunteers to go to the movie theatre to supervise kids there and help with Bingo as well.
- Children are not permitted to run back and forth between the Rec. Hall, Dining Hall, and movie theatre.
- At 9:15 p.m., all parent/staff supervisors should organize their cabin groups around them and walk their groups back to the cabins. If children in your group need to take medication, make sure one adult walks them to the medical cabin and then back to their cabin.
- At 9:45 p.m., parents are responsible for ensuring that students are settled and quiet for the night. If parents need assistance, please report to the nurses' office.

In Cabins from 9:15 p.m. to 9:45 p.m. on Wednesday and Thursday:

- Parent/staff supervisors are responsible for maintaining good cabin behavior at all times.
- Children are permitted to take showers or wash up, or read until 9:45 p.m.
- Cabin supervisors may need to schedule showers if all children want to shower at night.
- No child is required to take a shower. This should be a quiet time in the cabins.
- All lights must be turned out by 9:45 p.m.
- No child may leave the cabin without an adult after 9:45 p.m.
- Before children go to bed, assist them in doing a "tick check" to make sure no ticks are on their bodies.
- If you have an emergency during the night, one of the adults in the cabin should seek help from a medical team member in the medical cabin which will be open all night. You should also alert one of the principals immediately. You will be made aware of their cabin numbers upon arrival at camp.
- If you have any difficulty with student behavior during the night, one of the parent supervisors should report to the nurses' office for assistance.
- During the night, night lights or the bathroom light may be left on if this makes the children more comfortable.
- If a child should get sick or have an accident during the night, please make sure you handle the situation with as much confidentiality as possible so that the child does not become embarrassed. Contact a principal if you need assistance.
- Laundry facilities are available in emergency situations. Notify a principal if you need assistance and he/she will take care of the situation when the children have gone to their first learning group activity. Please be as discreet as possible.

After Wake-Up Time on Thursday and Friday Mornings:

- On **Thursday morning**, make sure children straighten bunks and gear.
- All trash inside and outside of the cabins should be picked up and disposed of in trash receptacles.
- Children should remain in cabins until 5 minutes before breakfast when supervisors should walk them to the dining hall.
- This should be a quiet time with no loud or boisterous behavior.
- On **Friday**, cabins need to be packed up, cleaned, and inspected before breakfast.
- By 7:05 a.m., all luggage and gear should be brought to the bus loading area.
- Cabins should be cleaned beforehand. Bathrooms must be swept or mopped; sinks, toilets, showers, and floors should be left as you found them. Bunk areas must be swept and all trash in and around the cabins should be dumped in the trash receptacles.
- If weather is questionable, leave gear in cabins until time to load buses.

Departure on Friday:

- Report to bus loading area after lunch at 12:15 p.m.
- Assist staff with loading buses.
- Follow buses back to school.
- Assist staff with unloading of buses.
- All fifth graders and parents should depart from school no later than 3:00 p.m. to make room for dismissal of other children.

GENERAL NOTES

- Administer no medications (over the counter or prescription) to children. All medications must be administered by our school nurse or a member of our medical team.
- No children should keep medications in their luggage or on their person. All medications must be kept in the medical cabin.
- No children are permitted in cabins without an adult supervisor.
- No parent supervisor should administer any form of discipline to children who are not following camp rules. The situation should be brought to the attention of a teacher or a principal who will handle the situation.
- Adults should bring alarm clocks so that wake-up time is followed in each cabin.
- Adults are also permitted to bring cell phones, if necessary. Pay phones are available at all times. Do not allow children to use adult cell phones for any reason.
- Adults may also bring hair blowers and jewelry, although it is not advised.
- Adult supervisors will be made aware of any necessary health alert information that would be necessary to know on an "as needed" basis.
- All staff and parent supervisors must complete and turn in a medical emergency form to their school main office before leaving for camp.
- Camp Canadensis is a **NO SMOKING AND NO DRINKING** facility. There is no smoking permitted on the grounds or in cabins for fire safety reasons. If an adult must smoke, he/she must do so in his/her car and extinguish the cigarette in the car ashtray, not on the grounds of the camp.

MOST IMPORTANTLY, staff and parents are responsible for making sure that all children have an enjoyable, comfortable, and meaningful experience on this trip. Be alert for signs of home sickness or uneasiness during lessons, rec. times, in cabins or at meals. Alert one of the principals or school-based camp directors if you suspect a child is having difficulty adjusting to being away from home. Use your own parenting skills to make an uncomfortable child feel more at ease. Thank you for caring for our children during this wonderful trip to Canadensis!
