Congratulations, Wausau East Class of 2022!

Spanish Class Trip to Costa Rica

On March 17-25, a group of 17 Wausau East students traveled to Costa Rica to practice their Spanish and to explore the rich biodiversity of the country. Students toured a coffee plantation, took a boat ride down the Río Frío to discover caimans, monkeys, lizards, bats and birds in the natural environment, waded in the hot springs at the base of the Arenal volcano, took a horseback ride, zip lined through the cloud forest, explored the cloud forest from hanging bridges and swam in the warm ocean waters at Manuel Antonio National Park. The students enjoyed experiencing the Costa Rican culture and the diverse wildlife of the country.

Students enrolled in Spanish during the 2022-2023 school year are invited to participate in next year's trip to Ecuador. Trip highlights include:

- ◆ Quito Tour with Guide
- ◆ Intiñan Museum (*includes a variety of activities that can only be done at the equator*)
- ◆ Termas de Papallacta (*hot springs*)
- ◆ Amazon Jungle Hike
- ◆ Napo River Boat Ride
- ◆ AmaZOOonico Wildlife Rescue Center
- ◆ Kichwa Indigenous Community Visit
- ◆ Pailón del Diablo Waterfall
- ◆ Andean Canopy Tour (*zip lining*)
- ◆ Ozogoche Indigenous Community Exchange (*visit a local school to complete a service project*)
- ◆ Cotopaxi National Park

East Students Selected for WSMA State Honors Music Project

Two students from the Wausau East Music Department have earned positions in the Wisconsin School Music Association State High School Honors Project. Ian Harsh, junior trombonist, was selected for the State Honors Band and Hyojoon Kim, junior violinist, was selected for the State Honors Orchestra. Over 1,100 high school musicians from around the state completed auditions in February competing for this honor.

The WSMA State Honors Music Project is nationally recognized as one of the finest opportunities for young people. Students selected for the WSMA State Honors Music Project participate in an intensive four-day summer camp in June and perform in Madison during late October as part of the Wisconsin State Music Conference. Congratulations, Ian and Hyojoon!

2022 SkillsUSA Results

Congratulations to our Wausau East SkillsUSA team members, Kendra Ohde, Nora Imhoff, Drew Crispell, Katherine Rauscher, Izzy Wilke, Brooke Ohde and Taea Schiefelbein. The Wausau East SkillsUSA team brought home a total of ten medals, two of which were GOLD! Nora Imhoff's State of Wisconsin trading pin will be mass produced and distributed nationwide while Drew Crispell will be traveling to the National Convention in Atlanta, Georgia to represent Wausau East in the screen printing contest! Congratulations to our 2022 SkillsUSA team! Great job representing Wausau East!

The North Central Wisconsin Regional Planning Commission, in partnership with Marathon County, is conducting a regional internet speed testing initiative.

Many communities that need broadband funding may miss out because the data showing their need isn't available. The goal of this project is to create an accurate regional map of where internet service is and is not available in Central Wisconsin and what speeds people are currently receiving.

Take the speed test today and encourage your friends, neighbors, and co-workers to do the same!

Thank you for your cooperation!

Notes from the Director's Chair

Arsenic and Old Lace

The Wausau East End Players (EEP) will be presenting another rare summer production. This will now be our *second annual* alumni production, and we have chosen Joseph Kesselring's classic American comedy, *Arsenic and Old Lace*. Of the 12 plays written by Kesselring, *Arsenic and Old Lace* was by far the most successful. According to Brooks Atkinson's opening night review in [The New York Times](#), the play was "so funny that none of us will ever forget it."

The play is a [farcical black comedy](#) revolving around the Brewster family. Originally descended from the [Mayflower](#) settlers but now composed of maniacs, most of them homicidal! The hero, Mortimer Brewster, is a drama critic who must deal with his crazy family and the local [Brooklyn](#) police as he debates whether to go through with his recent promise to marry the woman he loves, Elaine Harper (who lives next door and is the daughter of the local minister).

His family includes two spinster aunts: Abby and Martha Brewster, who have taken to murdering lonely old men by poisoning them with a glass of home-made [elderberry wine](#) laced with [arsenic](#), [strychnine](#), and "just a pinch of [cyanide](#)"; a brother, Teddy, who believes he is [Theodore Roosevelt](#). He digs [locks](#) for the [Panama Canal](#) in the cellar of the Brewster home (which then serve as graves for the aunts' victims because Teddy thinks that they died of [yellow fever](#)). And, a murderous brother, Jonathan, who has received multiple [plastic surgeries](#) performed by an alcoholic doctor, Herman Einstein, to conceal his identity. Now he looks like horror-film star [Boris Karloff](#) (which in itself was a [self-referential](#) joke, as the part was originally played on Broadway by Karloff)!

Throughout the play, Jonathan is plotting to kill Mortimer; all while Mortimer is struggling to find solutions to rid his family of Jonathan and dealing with Officer O'Hara (who has aspirations of being a playwright himself), so he can keep his aunts safe from his psychotic brother and the police.

As the character Mortimer Brewster says of his family's history: That it is as if " ... Strindberg wrote [Hellzapoppin!](#)" Come enjoy this wonderfully dark comedy and help raise money for Theatre Scholarships.

Arsenic and Old Lace performances will be held during the week of July 25; specific dates and times to be announced. All performances will be in the Wausau East High School Black Box Theater. All tickets will be \$15.00 and may be purchased at the door. There is limited seating available!

For additional information, please contact Terry Riska, Director, by calling 715/581-8970.

DECA

Wausau East DECA Gives Back in a Big Way

Over 100 Volunteer Hours and \$1000 Donated this Year

DECA Officers Lillie Zaitz, Akaya Thao, and Kao-sheng Chang helped put away some of the food collected for Zoro's Locker during our Trick or Can food drive.

Ellie Sewall and Chloe Kremnitzer helped with the Career Fair at East as they greeted vendors in the hospitality room.

Over 100 hours of community service provided

Wausau East's DECA chapter has been busy doing good deeds in the Wausau community. This year's members have already volunteered over 100 hours of their time! Volunteer hours have been done at local churches, food collection for Zoro's Locker, tutoring, and much more.

This spring, students will be doing yard cleanup for elderly and/or disabled people in the community.

Over \$1000 donated to Zoro's Locker and Make-a-Wish

DECA officers Alex Klemp-North and Garrison Stockwell coordinated a "miracle minute" at the spring band concert. The audience was encouraged to donate their pocket change as baskets were distributed and one minute was put on a clock. Wausau East has tremendously generous friends and family, as \$571.67 was donated in that minute. That money will be donated to Wisconsin Make-A-Wish. Thank you to all of those who donated and great job Alex and Garrison! DECA students have collected cash donations for Zoro's Locker. Zoro's Locker provides food for Wausau East students and their families who are in need.

DECA is looking for partners!

If you're interested, please contact Mr. Knight at tknight@wausauschools.org

SPARC: Accelerated Learning 2021/2022

(Students Participating in Academics, Relationships, and Community)

Celebrating a day to dress like one of our students.

East's SPARC program is a new program designed to assist students who are credit deficient, at risk of not graduating from high school, and/or have only experienced failure in school. It provides a safe environment that empowers students to deal with academic and personal struggles in order to get back on track toward graduation. Our focus is to teach and model behaviors that will assist them in future success in and beyond high school.

Spearheading this new venture are Tom McCormick, Kelly Rohr, and Ian Weber. By working closely together, they have helped students earn over 20 additional credits toward graduation. Students are also attending school on a more regular basis and redeveloping a connection with

East. In addition to the many student successes, the three teachers have greatly enjoyed this opportunity to work with kids and feel it is one of their most rewarding years of their combined experience of over 80 years.

The Youth Apprenticeship (YA) program is a one or two year elective program that combines academic and technical instruction with mentored, paid, on the job learning, creating real world connections for students.

Congratulations 2021-2022 YA students. We are proud of you!

exh-IB-ition 2022 @ Woodson Art Museum

April 19 - June 2

East students Nathaniel Contreras, Marah Gibbs, Emily Hahn, Nora Imhoff, and Anneliese Menning have curated an exhibit of their original artworks created during their participation in IB Art over the past two years. The student exhibition of these five artists will be on display in the Lower Gallery from April 19 - June 2.

Closing Reception & IB Student Artist Presentations

June 2nd - 5:30-6:30 p.m. @ Woodson Art Museum

Join Wausau East High School art department chair Joel Pataconi and this year's International Baccalaureate Art Program students as they share insights into their portfolio artworks featured in the annual *exh-IB-ition* collaboration with the Woodson Art Museum.

Sending Your IB Transcripts to a University 2022

Many parents of IB students will want to notify the registrar of their child's IB exam scores which will be available after July 6. This can be done in two ways. First, the student can submit a "Request for Results of Service Form" through the IB Coordinator by May 20.

When exam results are released July 6, they will be made available to institutes via an IB secure website, or will be mailed a paper transcript of grades if the institution does not make use of this electronic service. A candidate's first six requests will be accepted without charge if submitted before the **May 20 deadline**. Of this six, no more than one institution can be selected from Canada and one institution from the US.

After July 5, IB graduates can request that their results are sent to a university directly by completing the appropriate transcript request form electronically or sending it to the address provided on the form. A fee will be charged for each additional request that is submitted regardless of whether any previous requests have been made on your behalf. For further information on how to submit a request, please visit <https://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/>. This site includes a clear 2:18 video which describes the process.

To submit your transcript request electronically, please visit: rrs.ibo.org Under no circumstances should candidates reveal their PIN to universities or admission centers.

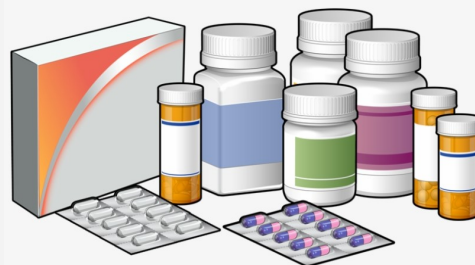

The IB transcript of grades will display the student's full name, date of birth, the name of the school you attended, the subjects which they were registered for and the grades achieved for each subject.

A Message from the Health Office

Summer is the perfect time to schedule appointments for your child's medication refill and check on immunization requirements. Listed below are some reminders for prescription and over the counter medications, where to find needed forms and the Marathon County immunization requirements along with clinic information.

All medication must be kept in the Health Office; this includes:

- Over the counter pain relievers (Tylenol/ Advil or generic)
- Gastrointestinal products (Tums, Imodium, etc.)
- Cold products (cough syrup, cold medicine)
- Ear or eye drops (Visine, etc.,)
- Vitamins and probiotics
- Prescription medication

Students are not allowed to self-carry/self-administer medication unless approved by school nurse/health care provider

Epipens, inhalers and diabetic supplies may be carried by students. We request that the proper forms be completed. Contact supplies and cough drops may be carried by students.

Please contact the Health Office at 715-261-0678 for the necessary medication administration forms or pick them up during regular office hours. Forms may also be found on the Wausau School District website by clicking here: [WSD Health Services](#). Completed forms can be turned in during schedule pick up, faxed to the Health Office at 715-842-0423 or dropped off at your convenience. Please feel free to contact us with any questions.

Students with Medication at School

Parents: Please remember to pick up your child's medication before the last day of school. Only Epipens, inhalers, or diabetic supplies may be picked up by a student. All other medications must be picked up by a parent/guardian. If your child will be attending summer school, please contact Nancy Peters in the Health Office at 715-261-0678. Arrangements may be made for the transfer of medications. **Medications not picked up by 3:00 p.m. on Friday, June 3, will be discarded. Any student who checked out an elevator key from the Health Office must return it by June 3, to avoid a \$20 fee.**

Important Reminder for Seniors

Please remember to write a THANK YOU note if you are awarded a scholarship this year!

Class of 2022

Senior Class Meeting

In May we will have our final senior class meeting where we will discuss final details on graduation, conduct a senior class post-high school survey and students going on to school can request a final transcript be sent to their college.

Junior Meetings

Attention juniors: It's time to gear up for your FINAL YEAR at Wausau East High School! The East counselors and Career Center coordinator presented valuable information on planning for post-high school options during Junior Parent Night on April 6. Here is the [presentation](#) if you missed the informational night.

All juniors will meet with their counselor in May to review their class schedule. Parents are encouraged to attend. Counselors will review classes, graduation requirements, and post-secondary options before heading into the summer break.

This is a critical time to begin exploring post-high school options if you haven't already started. As always, be sure to contact your guidance counselor with any questions, comments or concerns.

Private University System

Wisconsin has 23 private colleges throughout the state. Private colleges tend to offer smaller class sizes and compact campuses, offering a more intimate feel than state universities. If you are interested in a private university or would like to learn more about their benefits, visit the [Wisconsin Private Colleges website](#) for information on what each one has to offer. Private College Week is July 11-16 this year. The week is a great chance to take a campus tour and take advantage of special events to get to know what private colleges have to offer!

The Career Center Can Help with Summer Exploration

Looking for - A summer job? Volunteer experience? Job shadows? Career and college information? The Career Center has all the resources to help you! Summer is a great time to create a resume that includes your job experience, volunteer experience and relevant coursework. Juniors should be setting up job shadows to further explore options and identify potential careers. They should also be narrowing down colleges by taking college tours. Freshmen and sophomores should be looking at summer camps and/or volunteer opportunities. Come into the Career Center before the end of the school year for help in all these areas!
