IN-SCHOOL RECRUITER VISITS

Milford School District will cooperate with students and parents to locate and choose the school best suited to the needs of the individual student. This will include distributing information when requested by the student and/or parent. In addition, student directory information will be provided to K-12 public schools and colleges, universities, technical schools and the U.S. military for the purposes of recruiting. Students will be excused from school to visit post-secondary schools and recruiters. However, only recruiters for post-secondary schools and the U.S. military will be permitted to visit individual or groups of students during the school day at any of the Milford schools. Parents may request to opt-out of records being released to U.S. military for the purposes of recruiting if request is put in writing in accordance with requirements under § 9528 of the ESEA.
