Dear SFS Community,

As you are aware, the social distancing restrictions in Korea are being lifted significantly. The Ministry of Education recently announced its plans for "back to normal" that will see schools resume normal operations **starting May 1**.

We are waiting for the detailed guidelines from the SMOE and will update you on the impact of the new guidelines in next week's communication.

Thank you for your continued support.

God bless,

Colm Flanagan  
Head of School
