

School Calendar & School Year

At its regular January business meeting, the School Board shall adopt the school calendar for the ensuing school year. The Superintendent of Schools shall submit a proposed calendar to the Board in advance of the meeting.

The school year will be a minimum of 180 instructional days for students. Refer to the appropriate Collective Bargaining Agreement for additional days required of staff.

Any days that the schools are closed for emergency reasons will be made up at the end of the school year or during recess periods, as approved by the Board upon the Superintendent's recommendation. Under special circumstances the Board may request an exception to this requirement from the State Board of Education.
