

Advanced Coursework/Advanced Placement Courses

Any student who is capable of, and wishes to do advanced coursework or take advanced placement classes while in high school should be permitted to do so. School district administrators and guidance counselors will provide assistance to students who wish to enroll in such courses. If advanced coursework or advanced placement courses are not available within the school district, administrators or guidance counselors are instructed to assist students in identifying alternative means of taking such classes. These means may include taking courses at a different public school or a private school, or through distance education courses or other suitable means.

Any student, whose eligibility for taking advanced coursework is recommended by his/her counselor, may enroll in a course. Credit may be given, provided the course comports with applicable district policies and state standards. The district will not be responsible for any tuition, fees, or other associated costs incurred by the student for enrollment in such courses.
