**NEWSLETTER**

April 29

Dear Gull Lake Families and Staff,

We have uploaded the links to our Gull Lake Center for the Fine Arts performances that took place last Friday and Saturday in our newly revealed auditorium! We have been able to post over half of our opening gala program for your viewing. Due to the large size of each performance file and the YouTube policy on daily upload limits, the rest of the files will be available by this coming Monday.

Here is the link to many more [GLCS Good Things](#). Enjoy your viewing and have a great weekend!

Have a wonderful weekend,
