

Student Discipline/Out-of-School Actions

The Ashland School Board recognizes that out-of-school and off-campus student conduct is not normally the concern of the Board. However, the Board also recognizes that some out-of-school and off-campus conduct may have an adverse effect upon the school, school property, or school staff.

Therefore, it shall be the policy of this Board that the Board or school administrators may consider disciplinary action against students for some out-of-school or off-campus conduct when, in the principal's opinion, such out-of-school conduct causes a significant disruption or substantial interference with the normal school operations.

Out-of-school and off-campus student conduct that may subject a student to discipline includes, but is not limited to:

- Damaging school property;
- Violence at or near the school's bus stop, either before or after the school day;
- Drinking alcohol, using tobacco products, or using illegal drugs at or near the school bus stop, either before or after the school day;
- Damaging the private property of school staff or employees; or
- Any other activity the Board or administration determines impedes the general welfare of scholastic activities.
