

# SMUSD ESSER III Return to In Person and Continuity of Services - Stakeholder Feedback (ENG)

The survey will take approximately 4 minutes to complete.

Due to COVID-19, the district was awarded the ARP ESSER Grant in order to implement intervention to combat student learning loss and to create a safe school environment that promotes continuity of student learning. The federal stimulus Elementary and Secondary School Emergency Relief III grant to schools through the American Rescue Plan Act provides these funds to impact continuous school improvement. Twice a year for the life of the grant, Stafford MSD would like input from stakeholders as we consistently review the effectiveness of our plan and the use of these funds. In order to best answer the stakeholder questions, please review the current Return to In Person and Continuity of Services Plan (RIPICS clarified version dated Feb 2022) that is posted at <https://www.staffordmsd.org/esser>.
