INSTRUCTIONS FOR USING THE ONLINE TRANSPORTATION PORTAL

The Transportation Office utilizes the eSchoolData online parent portal to provide you with your child's bus assignment.

Bus number, bus stop, and pick-up/drop-off times are all posted on your child's "Buses" tab.

Please check the portal frequently before and during the first few weeks of school since time adjustments may need to be made to allow for students to be added to or removed from your route.

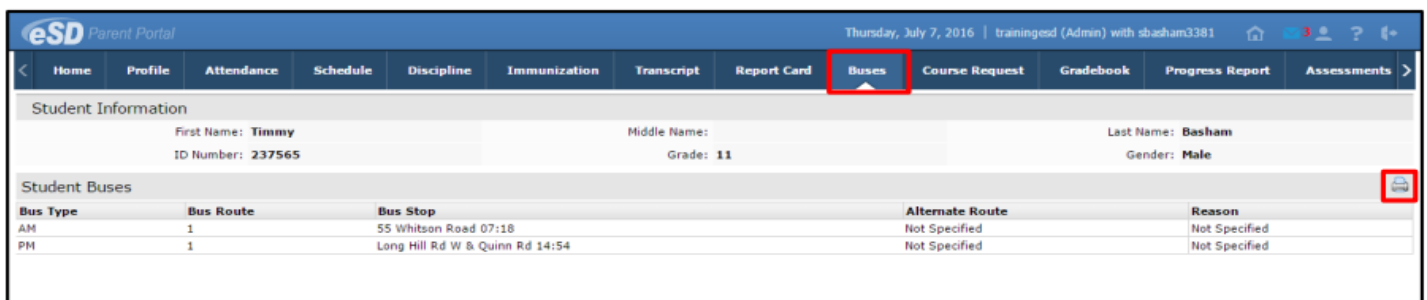

To access your child's bus information:

- Go to the [eSchoolData Parent Portal](#) to log in
For assistance with navigating the Parent Portal please click here for the [eSchoolData Parent Portal User Guide](#)
