

Did you know our city has a shortage of daycare and preschool options? Many locations have struggled to stay open due to lack of staffing. We are proud to offer award-winning preschool programs that also accommodate full-time options for working parents. Many have already sought us out and as a result, we have waiting lists at several of our locations for certain age levels. However, we DO HAVE OPENINGS—spread the word to family and friends.

Our preschools are an affordable option that prepares students beautifully for Kindergarten in body, mind and soul. Don't wait long—enroll today!

IT'S GO TIME!

GO>GIVE>OG day of giving is Monday, May 2nd and this year we're celebrating a little differently! We will be broadcasting **live** via Facebook on Monday from the O'Gorman High School's foyer while trying to raise \$50K for tuition assistance! The day will feature interviews from some of your favorite teachers, special tours and even a special project that will get current O'Gorman students involved in the **GO>GIVE>OG** day celebration!

We will be collecting donations all day and hosting two power hours at 12PM and 5PM where donations will be matched. Through your donations, we hope to make a Catholic school education possible for any student who wants it.

Be a Go Giver! You can give online, over the phone or come visit us in the high school foyer to make your donation in person! We'd love to see you! **#GOGIVEOG**
