

## Position Announcement for Middle School Math Teacher Boca Raton campus

### The School

Pine Crest School is an independent, co-educational college-preparatory day school serving more than 2,600 students on two campuses in Fort Lauderdale and Boca Raton, Florida. There is a Middle School on each campus serving students in grades 6-8, with approximately 300-375 students in each Middle School. To learn more about our school, please visit our website at [www.pinecrest.edu](http://www.pinecrest.edu)

### The Position

The Middle School Math Teacher would be responsible for teaching pre-algebra and algebra to students in grades 6-8. Other courses may be assigned as necessary. If the candidate had some experience teaching Middle School science (a course such as grade 8 physics) that would be helpful but is not required.

### Qualities

We are looking for an educator who has demonstrated a love for teaching and is familiar with the rewards and challenges of working with middle school students. The successful candidate will be able to:

- Demonstrate a thorough knowledge of the content area and be able to share the material in a thorough manner
- Build warm, trusting relationships with students, colleagues and parents by listening well and responding to concerns in a timely and appropriate manner
- Respond well to a busy – often hectic – school day; adjust priorities as needed
- Maintain an upbeat, positive outlook, as well as a sense of humor

The following qualities are preferred but not required:

- 3+ years experience teaching math to students in grades 6-12
- M.A. in Math, Education or in a related field

### Application Process

If interested in applying for this position, please put “Middle School Math” in the Subject line and submit the following material by email to [employment@pinecrest.edu](mailto:employment@pinecrest.edu):

- Cover letter indicating your interest and highlighting aspects of your background that qualify you for the position
- 2-page resume
