

**HADLEY LaMASCUS**

Honors Class of 2020
Cellular and Molecular
Biology Major

"I absolutely love that HSA displays a microcosm of OC culture. The classes are challenging and exciting, while professors take a genuine interest in the holistic well-being of their students. And you'll form strong, lasting friendships - my best friends at OC attended HSA with me!"

**KENNEDY McALISTER**

Honors Class of 2018
English/Pre-Law
and Music Major

"HSA was the highlight of my summers for three years. The amount of learning that is jam-packed into one week is crazy, and as a high school student, challenges you to grow academically in ways that no other experience can."

**PETER MILLER**

Honors Class of 2019
Mechanical Engineering Major

"HSA changed my view of what a Christian scholar can be. I spent the last two years of high school working 'with all my heart,' because OC taught me that Christian scholarship is a noble pursuit. I also pursued my interests in robotics, piano, trombone, guitar, singing, dancing, and sports. I hope to continue to glorify God here at OC."

**INAYAH MINNIEFIELD**

Honors Class of 2021
Biology Major

"I was only able to attend HSA for one year and I regret not finding out about the program sooner! I enjoyed everything, including what I learned in the classroom, taking part in all the activities, and spending time with fellow students. I forged many bonds, including one with my RA, who was so considerate and caring."

**“WITH ALL YOUR SOUL
AND WITH ALL YOUR MIND.”**

LEARN FROM MASTER FACULTY: JULY 14-19, 2019

Oklahoma Christian University's Honors Summer Academy offers a session for high school students who thirst for learning. Students completing the 9th, 10th, or 11th grade in Spring 2019 and who excel creatively or academically are encouraged to apply and choose two courses from the following areas:

- Bible
- Humanities
- Engineering
- Sciences

EXPERIENCE THE COLLEGE LIFE

Earn two hours of transferrable college credit, learn from master faculty, live in a dorm at Oklahoma Christian University, make friends with similarly gifted students, and get a taste of college life.

EXPERIENCE THE CITY LIFE

OC is located within minutes of bustling downtown Oklahoma City. Each for-credit college classroom course is linked to co-curricular learning experiences, making use of museums and other resources available in the Oklahoma City metropolitan area. In a city of 1.2 million, OC students have access to internships, shadowing, mentoring, and job opportunities that are literally just around the corner.

COST

Oklahoma Christian has underwritten the tuition cost for the two credit hours, which allows us to keep the total Honors Summer Academy cost at \$600 per student. This cost covers all expenses, including room and board, academic field trips, and access to OC's computer labs.

APPLY

Apply early to ensure your two choices! Visit www.oc.edu/HSA to view courses, videos, reflections, and detailed information ... and to submit your application! You may also email honorsummeracademy@oc.edu or call 405.425.5300.
