KID CONNECTION

A "day camp" that boosts kids' communication and social skills. Volunteers are needed to help throughout the day with preparing activities, snacks, crafts, and interacting with the campers.

Monday-Friday 9:00am-3:00pm
(volunteers should be available 8:30-3:30)

Openings all Summer!

May 28th - August 6th
(No camp on May 24th, May 31st, or July 5th)

CAMP COMMUNICATE

An intensive camp focused on helping kids with more complex speech and functional communication needs. Volunteers may have a "buddy" that they would pair up with to assist with on a 1:1 basis. They may also be helping with small group, large group, and/or assisting clinicians during therapy sessions.

Monday-Friday, 9:00am-12:00pm
(volunteers should be available 8:30-12:30)

Three-week sessions
