- The title and author of the book should be displayed somewhere on the outside of the box.

Main Character Book Project

The Project

Make a 3-D model of the main character of the book and write an interview with the character.

The Details

- Use clay, wire, fabric, Paper Mache, or another medium to make a realistic model of the main character of the book.
- Write 8 questions that an interviewer might ask your main character. For example, if you read *Charlie and the Chocolate Factory* you might ask questions like, "How did you feel when you found the last Golden Ticket?" and "Why did you decide to take Grandpa Joe to the chocolate factory?"
- Answer each question writing in the voice of the character.

Tips for Success

- ✓ As you read the book, write down questions that you might want to use for your interview.
- ✓ Try to make your questions open-ended so that they take more than a word or two to answer. For example, instead of asking, "Was it hard to be so poor?" it would be better to ask, "What were some of the ways that being poor was hard on your family?"
- ✓ Try to make the answers to the interview questions sound like the main character. If there is a phrase the character repeats often, use it in the answers. If the character speaks with an accent, then try to write using that accent.
