EXCEL AFTER THE BELL

The Y makes the most of your child's after school time by offering active learning opportunities designed to engage and expand young minds. Housed in local schools, YMCA Before and After School Care gives your child the opportunity to participate in active play and collaborate on fun projects. But YMCA Before and After School programs are more than child care. They offer a path with a purpose. Students engage in a variety of structured activities that promote positive social interactions, indoor and outdoor play and reinforce academic learning concepts, as well as lessons in empathy, inclusion and service learning.
