PLAY student library card program is LIVE May 2nd!

What is the PLAY card program?

The PINES Library Card Access for Youth (PLAY) program gives students free access to fines-free public library materials and online resources to help them succeed in school. Cherokee Regional Library System (CRLS) partners with Walker County Schools to provide the PLAY program. Beginning May 2nd, PLAY cards are active for all students who did NOT opt-out of the program.

How do I check out materials in the library?

Just tell the staff member that you are a student, or show them your Student/Lunch ID. If you have your number memorized, you can recite it and they will take care of the rest.

Am I limited to using only Cherokee Regional Library branches?

No! You can use your PLAY card at any PINES library in the state of Georgia, but library staff may not know to add the "WLK" prefix to your school ID. You can tell them, OR download the PINES app. There is a "show barcode" option there that outside library systems can scan easily.

What if my student already have a PINES public library card?

Now they have two accounts! You can continue using the existing library card. Your PLAY account is separate and does not accrue fines.

When does the PLAY card expire?

PLAY cards expire October 15th of each year, but will be automatically renewed so long as your student is a student at Walker County Schools.

Get Started at www.chrl.org

- **Access to over 12 million books, dvds & audiobooks statewide**
- **Check-out up to 5 items**
- **No late fines!**
