

Happy Teacher Appreciation Day and Week!

As we celebrate Teacher Appreciation Week, we at Meemic would like to extend our thanks to you for the hard work you do every day in making our classrooms and communities great. Your commitment and hard work are truly commendable, and we appreciate all your efforts.

We like to ensure our gratitude for you is shown in everything we do, from our dedication to the educational community for personal insurance to the giving back we do through our nonprofit, The Meemic Foundation. Serving teachers and school employees is our sole purpose, and we're honored by the mission.

Whether you're a teacher or touch children's lives in another school role, we thank you for your dedication and for all the ways you show that you care for our youth. Enjoy this day and week—you deserve it!

With our continued admiration, respect and thanks,

Matt Michalski

Chief Operating Officer, Meemic Insurance Company

Sheila Wallace

MI Meemic Foundation Representative
