Presence Behavioral Health Addiction Services

2001 Butterfield Rd., Suite 320,
Downers Grove, IL. 60515
847-493-3600

<http://www.presencehealth.org/medical-services-presence-behavioral-health-addiction-services>

- Free confidential Individual assessment at 847-493-3600
- Multidisciplinary Assessment Program (MAP) – 1–3 day process designed to assess complex behavioral problems, conducted by a multidisciplinary team. This comprehensive evaluation seeks to identify the causes of the concerns, assess for the existence and severity of medical/psychiatric illness and make recommendations for resolution and treatment.
- Intensive Outpatient Program (IOP) – 3-hour group sessions either during the day 3 to 5 days per week. IOP is designed for those who need to achieve abstinence through a structured treatment program.
- Partial Hospitalization (Day) Program (PHP) – 6--8 hour group sessions for 5 days per week. PHP is used at the beginning of a treatment program for those who need the support and structure of a full-day program to stabilize physically and emotionally away from the work or home setting. The program includes several specialized services, including nutrition counseling, fitness, meditation and mindfulness training.
- Continuing Care Groups- Weekly support groups

Robert Crown Center for Health Education
