

BE PREPARED

**STUDENTS DO NOT EAT FOR FREE FOR
THE 2022-2023 SCHOOL YEAR. SEE
BELOW FOR THE WHO, WHAT, WHY,
WHEN, AND WHERE.**

WHY

The USDA waivers that allowed students to eat for free will expire June 30, 2022. Which means students will have to pay for meals for the 2022-2023 school year unless qualified for Free or Reduced pricing benefits.

WHAT

Free and Reduced Applications will be available after July 1, 2022.

You will be able to apply online in the Parent Portal in Infinite Campus after July 1, 2022. You can print a copy from our website under Food Services at crb1.net, or copies are available at building offices after August 1, 2022. We ask ALL parents to fill out the applications as the higher % of Free & Reduced Households helps out our entire district.

WHEN

Please submit FRAM applications as closely to July 1, 2022 as possible to prevent meal accounts from accruing negative balances. All students are considered full pay until qualified for Free or Reduced benefits.

WHERE

You can put money on your students accounts by going to the Parent Portal in Infinite Campus or send funds to school with your student.
