### **Essential Functions**

- Monitor pool and ensure all bathers and spectators adhere to pool rules.
- Monitor chemistry and general cleanliness of the pool, address issues as needed.
- Supports rules of conduct and creates a warm and welcoming environment.
- Maintains order and safety throughout the aquatic area and encourages the same throughout camp.
- Attends work and arrives/departs work at the appropriate times as determined by the immediate supervisor.
- Be present and actively supervise the pool area whenever it is in use.
- Ability to competently and accurately assess swimmer ability to ensure safety.
- Documents pool chemistry/condition as required
- Reports and documents any issues or incidents in a timely and professional manner.
- Ensure the pool area is open and closed properly each day, with the assistance of lifeguard staff.
- Assumes other job-related duties assigned by the immediate supervisor.

### **Qualifications -**

- Ability to communicate effectively and professionally.
- Possess/Maintain valid Red Cross Lifeguard certification, shallow water required, full certification preferred.
- Demonstrated ability to lead others
- Knowledge of basic pool chemistry and maintenance. CPO certification preferred.
- Ability to assist with monitoring pool chemistry.
- Strong interpersonal and communication skills and the ability to work effectively with a wide range of constituencies in a diverse community.
- Willingness to be flexible with change in schedules.
- Ability to facilitate activities for children that encourage healthy growth.
- Ability to perform basic pool chemistry/maintenance tasks, backwashing, chlorination, algicide
- Knowledge of applicable safety procedures, regulations and best practices..
- Ability to provide a supportive and caring environment for children.
- Comfortable with a team-based work structure; ability to demonstrate flexibility on the job.
- Demonstrates initiative, is conscientious and provides complete follow-through on areas of responsibility.
