SNOW HORSE STAMPEDE

THANK YOU TO OUR COMMUNITY

- Our "Community of Unity" night was a huge success! Thank you to all that came out and supported our school. Our school grounds look incredible and that is in large part thanks to so many that came out and helped spread woodchips and pull weeds. It was heartwarming to see our community together working, laughing, mingling, and getting to know one another. Thank you to our PTA and especially Lori Ann Berg for making this possible.

KINDERGARTEN ROUND UP

Have your incoming kindergartner meet the teacher and play with new friends! Meet in the gym on Friday, May 13th, from 2:00-2:30pm. This is for students that will be in kindergarten next year. Spread the word!

NOTES

- End of level RISE and Acadience testing continues for the next two weeks at Snow Horse. Thank you for helping to ensure your children get adequate sleep and are here and ready to test.
- Kindergarten will be out of school May 12-16 for testing, be sure to watch for sign ups.
- As we begin making class lists for next year, we wanted to extend the opportunity to submit educational concern forms to this Friday, May 6th, by 3:00pm. The forms are available in the office.

UPCOMING DATES

- May 3: Monster Concert for Orchestra Students

SNOW HORSE STAMPEDE

BEST OF DAVIS AWARD

Our very own Mrs. Christensen was nominated and selected for the "Best in Davis" award! She is very deserving of this award and we know that all her students past and present, as well as their families, are so appreciative of all she does. Mrs. Christensen, thank you for making Snow Horse a better place!

KINDERGARTEN ROUND UP

JR. TECH SQUAD

Recently the Junior Tech Squad was able to visit the Catalyst Center where they learned about computer science, digital media (audio, visual, and graphic design), and even a little about the culinary arts.
