Pathway Completed: Architecture & Construction

How did completing a CTE Pathway prepare you for life after high school—college and career?

I got a head start on college and my career. It helped me get me a job at JZW Architects. Then I took the internship class at my school. These classes I took helped me to be less confused in the field. I have had such a great head start. Now I am a VDC Coordinator at Hughes General contractors. I have spoken at Weber State and Roy High School telling them my story.

I, Kailey Hemsley, give my permission for CTE to use the above testimonial statement, or portion of the statement, along with a school photo, or other photo provided, in CTE publications and on CTE websites—schools.utah.gov/cte, UtahCTE.org, UACTE.org, and ACTEonline.org, including the Utah CTE social media communities of Twitter, Facebook, blog and the *CTE Directions* newsletter. I hereby release USBE, and any of its associates or affiliate companies, their directors, officers, agents, faculty, staff, students, and customers and any and all appointed advertising agencies, their directors, officers, agents, and employees from all claims of every kind on account of such use or reproduction.
