Hello everyone!

It is hard to believe it is time for the May newsletter, it is amazing how fast the year has gone and it has been wonderful to see how much fun kids have had being in school. As we continue to unwind COVID mitigation strategies, and we continue to add more activities back, that were part of the end of the year, prior to COVID. We will do all we can to communicate those activities with you. Please watch for updates on the website and we will send periodic communication home via Infinite Campus Messenger.

If you have questions feel free to email me at pisanmi@lodischoolswi.org or call at (608) 592-3842 ext 2102.

Sincerely,

Mike Pisani,
Principal, LES/OSC

End of the Year Reminders

End of Year Activities and Student Transitions

As we near the end of the 2021-2022 school year we will have activities similar to what we have done in the past.

- 5th graders will be going to the Middle School Social for a visit during the school day
- Middle School is planning a 5th Grade Sneak-A-Peek for May 23, 2022 at 3:45 - 5:15.
- We are also planning for 2nd graders to come and visit LES or OSC during the day on May 26, 2022 from 8:30 - 9:40 am.

End of Year Reminders

- We have a couple No School days coming up in May:
 - Friday, May 13, Staff Collaboration Day
 - Monday, May 30, No School Labor Day
- Our last day of school for the year is
 - Friday, June 3

Nurse News.....

To Parents of 5th Grade Students: Tdap vaccine is due this summer!

Now is the time to make your appointments for your 5th Grade student to visit their health care provider. **During the transition from 5th grade to 6th Grade, the Tdap vaccine is due to be completed for school required immunizations. Please have this immunization completed by the first day of school. A waiver may also be completed. [Link to Waiver/ Immunization Record](#)** If Less than 99% of our students complete either their vaccination or waiver by the 30th day of school per the Wisconsin state laws then all of the students in grades K-6th who are not compliant with their immunization may be excluded from school for 10 days. Please let the school nurse know if your child has received their immunization.

[Required Immunizations for in Wisconsin Schools 6th-12th Grade](#)

What vaccines do my 11- to 12-year-old need to protect them? Preteens need four vaccines:

1. Tdap, which is a booster shot to continue protection against [tetanus](#), [diphtheria](#), and [pertussis](#), also called whooping cough. You can learn about the Tdap school requirement through this [Parent Fact Sheet](#) .
2. [Human papillomavirus](#) (HPV) vaccine, which prevents certain HPV-related pre-cancers and cancers. All boys and girls should finish the series before they turn 13 years of age.
3. Quadrivalent [meningococcal conjugate \(MCV4\) vaccine](#), which protects against meningococcal disease, an infection in the lining of the brain and spinal cord, and bloodstream infections.
4. Annual influenza vaccine is recommended in the fall every year.

Thanks for your partnership,

Jean Winter RN

- Morning Session - High School Campus: 8:00 am - 11:00 am
- Afternoon Session - High School Campus (only): 11:30 am - 1:00 pm

Session 2 - July 11 - July 28 (Monday - Thursday)

- Morning Session - Primary School Campus: 7:55 am - 10:55 am
- Morning Session - High School Campus: 8:00 am - 11:00 am
- *No Afternoon Session*

Our [Summer School website](#) has also moved. You can find this under the “our schools” tab on the school website.

We hope your child will be joining us this summer! Please contact me (pisanmi@lodischoolswi.org) if you have any questions.

Lunchroom Changes

We will be offering on May 6th, in the lunchroom, a microwave for the kids to use. Please send items that are in microwavable containers and easy for the kids to use.

Since COVID restrictions have been lifted even more, on May 6th we will be starting to allow parents to have lunch with their children here at school. Please let the office know if you will be planning to have lunch with your child.
