

UnitedHealthcare's Digital Resources for Home Use or on the Go

The tools and information on myuhc.com[®] and the UnitedHealthcare Health4Me[®] mobile app are practical and help you get the most out of your benefits. Register at myuhc.com, and use the same username and password to access the app, or register directly on Health4Me once downloaded, and connect to information about your plan benefits and health care interests.

As a registered myuhc.com user, you can go online or login to the app to:

- View what is covered by your benefits
- Organize and manage claims
- Understand out-of-pocket costs
- Find network doctors, hospitals, urgent care, and convenience care facilities
- Estimate treatment costs
- View your spending account balances
- Pay providers for any 'balance-due' claims
- Manage your prescriptions
- View health statements
- View, print and order replacement health plan ID cards
- Chat with a nurse online (if in benefit plan)

See what you can do at myuhc.com and on the Health4Me app, and learn about all the online tools and resources that are practical and help you get the most out of your benefits.

Register today on myuhc.com:

1. Go to myuhc.com and select **Register Now**.
2. Enter the required information and provide your e-mail address.
3. Accept the delivery message and start receiving your communications online.
4. Use the same login information to access Health4Me, or:

You can also register on the Health4Me app, simply download the application from the Apple[®] App StoreSM or Google PlayTM store and follow the onscreen directions.
