

Here is your spring update.

Save April 7 for One Day, One Dog

#OneDayOneDog is Wingate's 24-hour day of giving when Bulldogs from across the globe come together to invest in the educational opportunities of current and future students. This year, our goal is 1,000 gifts on April 7.

Alumni, friends, parents, students, employees and the greater Wingate campus community are invited to join us on this day of giving. Pick your passion and give to the area of campus that means the most to you. You can make your gift early [here](#). Students and employees will have opportunities all that week to serve their community.

Learn more on the [University website](#).

Gen Ed changes

As students prepare to register for fall classes, they should consider moving their catalog year to 2022-23 to take advantage of several recent changes to the General Education curriculum. The new Gen Ed provides more flexibility and choice, reduces the number of Global Perspectives classes from six to four, and reduces to 120 the number of credit hours required for most bachelor degrees. More information about the changes can be found at [General Education Transformed](#).

Encourage your students to use [NaviGATE](#) to see if the changes will benefit them.

They can also reach out to their advisor if they have questions. The deadline to change to a different catalog year is April 8. Check out these [FAQs](#) to learn more.

Help is available!

Academic Advising, located in the Crowder Welcome Center, always has the door open for students. In addition to helping them connect with their faculty advisors prior to registration for fall classes, Academic Advising staff members can help facilitate major and advisor changes and provide ongoing support to students. They can answer questions about declaring a major, programs of study, academic plans and classes, and help students access support services across campus.

Registration for the fall is already underway for seniors and juniors. If your student is a freshman or sophomore, please remind them to make a required appointment to see their advisor prior to [their registration date](#).

Returning Student Housing Sign-Ups

Students have until 4 p.m. on April 1 to complete the application on their [housing self-service portal](#) and select roommates. Students are assigned a date and time to choose their housing based on their group rank. Breaks are scheduled during the process once specific housing has filled up so students can form new groups if necessary. Students will be notified if their assigned sign-up time is changed. All students who have submitted an application are guaranteed housing. Over the summer Residence Life will work to get anyone who has not been assigned fall housing into a space with at least one of their chosen roommates.

Returning students requesting special accommodations for fall 2022 must complete the Special Housing Accommodations Request Form available from [Disability Support Services](#). If you or your student have questions about Housing Sign-ups, contact Residence Life. The front desk is open weekdays from 9 a.m. to 5 p.m. Call 704-233-8245 or email res.life@wingate.edu.

Provost Jeff Frederick [shares some updates](#) as the semester progresses.

WINGATE EATS

Is your student running low on Dining Dollars?

You can add more funds to their dining account by purchasing Bulldog Bucks. Separate from Dining Dollars, Bulldog Bucks can be used to purchase food at on-campus eateries once your student has used the Dining Dollars that are included with their meal plan. To learn more about how you can purchase Bulldog Bucks visit [Wingate Eats](#). If your student would like to track their meal-plan balance, they can [log-in to the campus card center](#).

For additional questions or concerns regarding your student's meal plan, email the [meal plan coordinator](#).

Coming soon: campus improvements

Summer will bring several updates to campus buildings. Cannon I residence hall will get a new roof, new doors and updated bathrooms with new toilets, showers and more. Einstein Bros. Bagels, located inside the Ethel K. Smith Library, will be completely remodeled to face Church Street on the building's west-side, creating new space for dining, gathering and studying on the porch. A new patio will extend to the Church Street sidewalk.

Health insurance deadline nearing; time to enroll or waive

Aetna, Wingate's new insurance provider for fall 2022, offers insurance for all full-time (12-hours or more) students. The period during which all full-time students must enroll or waive insurance runs from mid-June through July 31.

Athletes, international students and those pursuing health sciences must enroll or waive regardless of the number of hours they are taking. Any student who has not completed this process by Aug. 1 will receive a nonrefundable

insurance charge of \$1,274 per semester on their student account. Find out more and click on enroll or waive on the [Health Center page of the website](#).

RAVE's Guardian app enhances safety on campus

Wingate has partnered with RAVE to give students and employees access to the [Guardian app](#). Key features of the app include a virtual safety timer, a way to discreetly send information directly to an officer and much more. Students can download the app via the App Store or Google Play. Learn more at [Bulldog Central](#).

End of semester check-out

Residence halls will close at noon on May 14, but graduating seniors will be allowed to stay in their spaces through noon on May 18. Students are expected to check out of their space within 24 hours of completing their last exam. They will sign up for a time to check out at which time the Resident Assistant will walk the room with the student to assess for damages and collect keys.

Does your student need summer housing?

Students may apply for summer housing in South Village apartments beginning April 19. Those needing temporary housing from May 14 until Summer Session I begins may sign up for temporary housing in CM Black.

Is your student planning to commute in the fall?

As a reminder, Wingate requires all full-time undergraduate students to live on campus, with these exceptions:

- The student is living in the principal residence of their parents/guardians.
- The student is 23 years old on or before the first day of classes.
- The student is a ninth-semester Wingate senior.
- The student is married and living with their spouse

Students may apply for commuter status by completing the [Wingate University Commuter Application](#) on WUSync.

A photograph of a large, multi-story university building with a central portico supported by columns. The image is overlaid with a dark blue semi-transparent rectangle. The text 'WINGATE UNIVERSITY' is written in large, white, bold, sans-serif capital letters across the middle of the rectangle. Below it, the text 'UPCOMING DATES TO REMEMBER' is written in smaller, white, sans-serif capital letters. The entire graphic is framed by a gold border with a repeating 'X' pattern on the left and right sides.

WINGATE UNIVERSITY

UPCOMING DATES TO REMEMBER
