Summer 2020  
News Created by BHS Staff & Students

## WE ARE PROUD OF THE BHS GRADUATING CLASS OF 2020

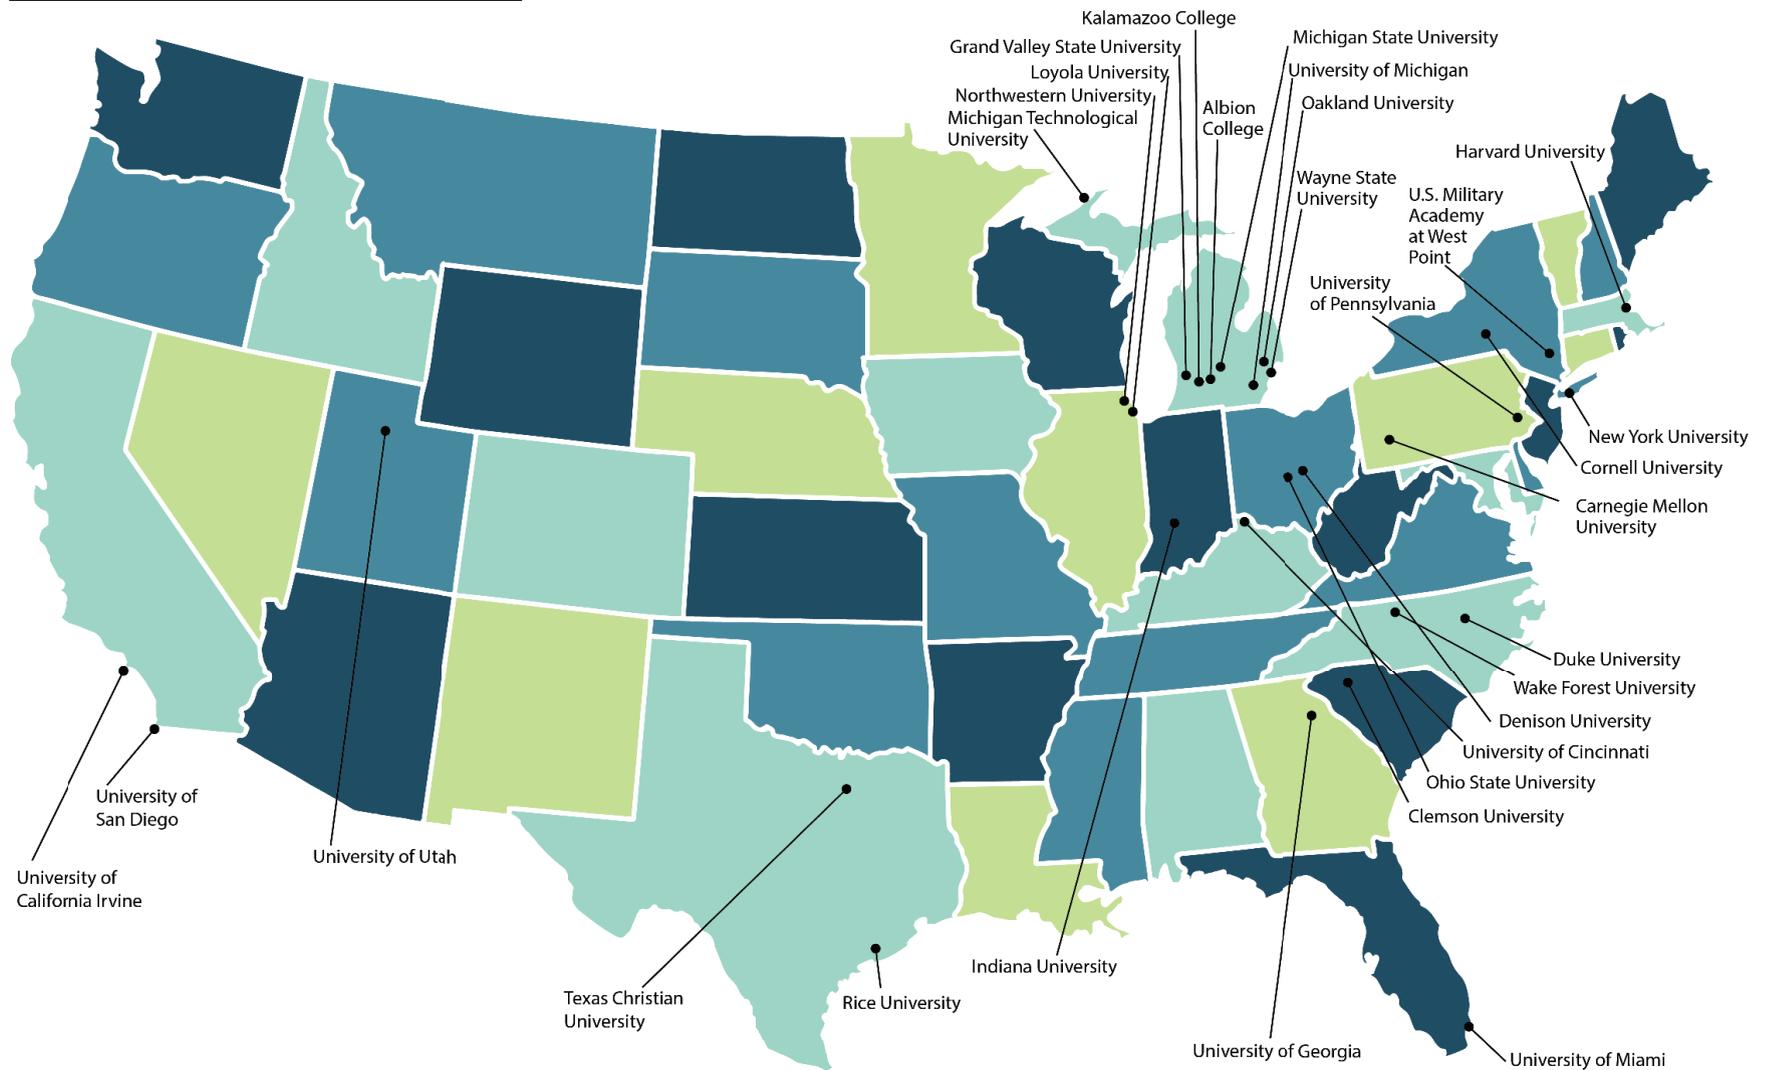

“ BHS PROVIDED ME AN AMAZING ENVIRONMENT AND EXPERIENCE AND I AM SO GRATEFUL! THE STUDENTS AND STAFF HAVE BEEN AMAZING!  
- COURTNEY E., GRADUATE ”

The Class of 2020 has some impressive stats regarding their chosen futures, but more importantly, they have a spirit that is admirable and commendable. In the face of adversity, they rallied around their local community by volunteering for the elderly, supporting younger students, and ensuring those in need, have what they need. The Class of 2020 is a group that thinks first of others, prioritizes academics, and has an unwavering commitment to integrity.

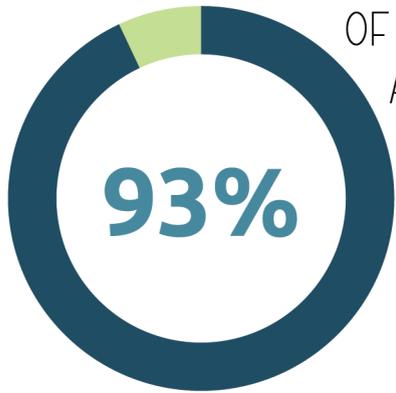

The graduation ceremony was held on June 7, 2020, and now they will spread out across the globe, attending schools and universities across the nation and world, launching into careers, and taking time for self-exploration and discovery. The map below reflects just a few of the schools our students have selected, showing the rich diversity of their academic futures.

*continued on Page 2*

In addition to those attending school in the fall, students will be launching into career choices, taking time to learn more about the world and themselves, and serving our nation by enlisting in the military. To those who have chosen to serve: We thank you for your service to our country and wish you a safe military career.

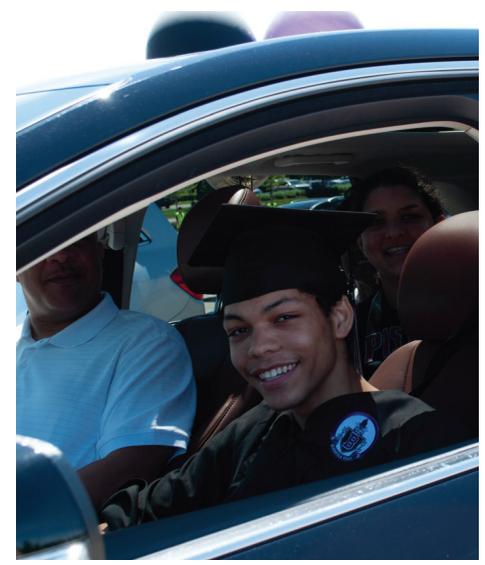

The Class of 2020 has some very impressive achievements:

OF GRADUATING SENIORS WERE ACCEPTED INTO A SCHOOL WITHIN THEIR TOP THREE CHOICES, WITH

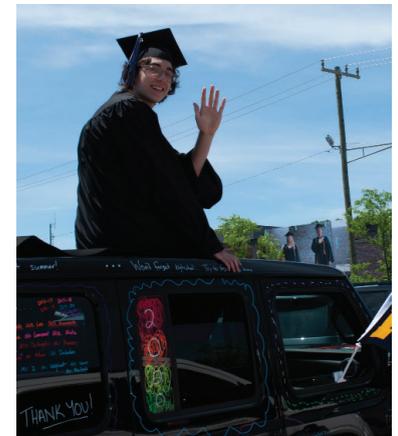

INDICATING IT WAS THEIR TOP CHOICE

## A PERSONAL NOTE FROM THE SUPERINTENDENT...

To the Class of 2020: Thank you for your resilience, for being role models for our younger students, and for the many gifts you have given each of us as you shared your talents throughout your Bloomfield Hills Schools education. We have enjoyed watching you grow and wish you well in the next chapter of your lives. Please stay in touch with those who care about you and want to see what's next. Remember this will always be a place for you to call "home" and we are always here to guide and support you.

67% OF GRADS ARE LEAVING BHHS WITH AN EDUCATIONAL GOAL TO ACHIEVE A MASTER'S OR DOCTORAL DEGREE

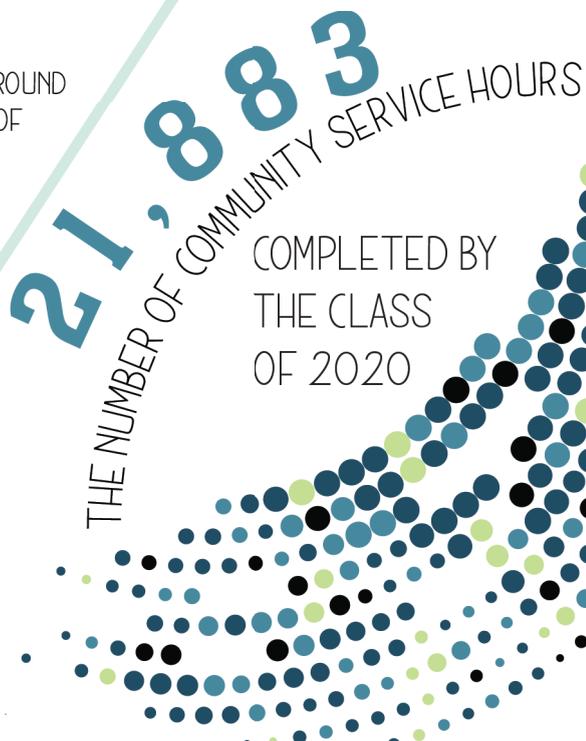

## SCHOLARSHIPS

\$1,156,609... AND COUNTING!

THIS REPRESENTS SCHOLARSHIPS ACCEPTED, THIS DOES NOT INCLUDE SCHOLARSHIPS OFFERED FROM OTHER UNIVERSITIES STUDENTS APPLIED TO, BUT WILL NOT ATTEND

THE SENIOR CLASS WAS ACCEPTED TO MORE THAN 200 COLLEGES AND UNIVERSITIES AROUND THE WORLD. MORE THAN HALF OF THE CLASS WAS ACCEPTED TO EITHER THE UNIVERSITY OF MICHIGAN OR MICHIGAN STATE UNIVERSITY.

# #BHS

## TOGETHER

In times of trouble, communities turn to schools to maintain a sense of normal and provide resources for students, staff, and community members. We feel honored and privileged to have continued so many services during this time.

**We have served 72,500 meals**

**More than 20,680 virtual meetings with more than 100,600 participants**

**Solved 1,965 tech tickets in an average of 7 hours, while distributing 1000+ devices**

**407 teachers with 5,111 years of experience continued learning with 5,436 students**

## WHAT WILL SCHOOL LOOK LIKE IN THE FALL?

Over the past few weeks, we have spent time meeting with schools throughout the United States, South Korea, Israel, and Denmark to ensure we are using best practices to guide our decisions. Over the coming weeks, we will share a draft of our plan for the Fall which currently includes three components: in-person teaching and learning, a hybrid option with some days in-person and some days remote, and remote learning if necessary for a short-term health emergency. Students needing or desiring to learn remotely in the 2020-2021 school year will have an option to do so and remain aligned and connected with their school community. For now, we are hopeful that we will be able to be back together in-person in the Fall, as early indications suggest.

Our administrative team, students, and various stakeholders from the community have organized into five groups, reviewing data and plans to draft our plan for the Fall. We will remain flexible enough to adapt to newly available data, information from Governor Whitmer and MDE, and feedback from families, yet with a strong framework to ensure the safety of all students, staff, and community members.

Our primary task force groups are organized around the following themes:

**Blended Learning Model:** Blended learning will allow flexibility by combining in-person and remote learning experiences.

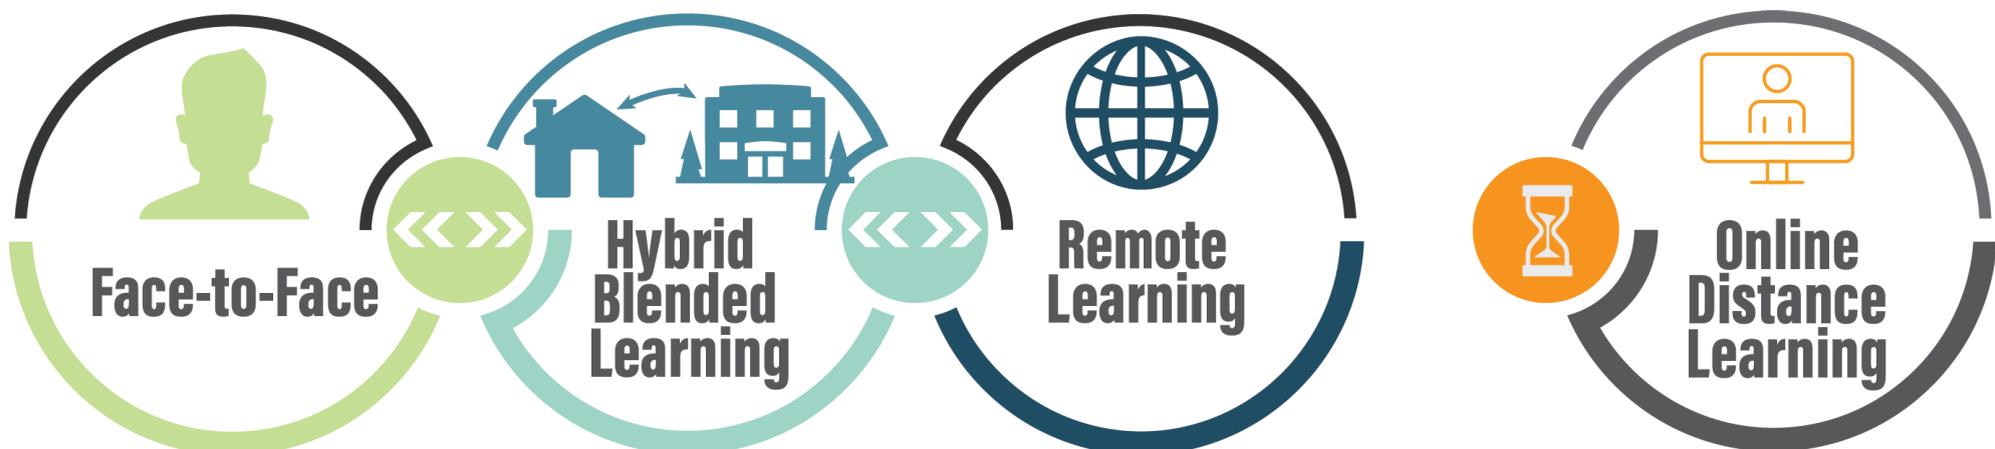

**Distance Learning:** Distance learning will allow families not ready to physically return to school to maintain a connection with Bloomfield Hills Schools through virtual learning. These students will experience a combination of virtual live-instruction with BHS teachers and self-guided learning modules.

**Flexible Schedules:** Flexible schedules should remove barriers that inhibit our ability to build engaging learning communities and student-centered learning experiences while also being nimble enough to quickly pivot to hybrid or remote learning and back as necessary.

**COVID-19 Health & Wellbeing:** Attending to the social and emotional needs of our school communities will be paramount, regardless of operating conditions and which learning model is currently being utilized.

**Taking Inventory & Operations Planning:** Physical structures and transportation will need to be redesigned to ensure our response to COVID-19 minimizes the risk of spread.

Together, these task forces will form our BHS Return to School Coalition and the combined plans will become our Bloomfield Back to School Blueprint, which will serve as our initial guide for the fall.

WE ARE PROUD TO PRESENT :

# STUDENTS HELPING IN THE COMMUNITY

## ORGANIZING VOLUNTEERS TO HELP OTHERS

Jonah Liss, an 11th grade student at the International Academy, started a volunteer-based grocery delivery and essential errand service, Mediumize. The service encompasses 45 cities with 100+ volunteers.

Mediumize is mitigating the spread of COVID-19 and protecting high-risk individuals by connecting volunteers and those in need. We run volunteer-based essential errands, offer assistance with technology, and are activists within our communities.

## FUNDRAISER TO HELP HOMELESS

BHHS 10th grader Kellen Fife and parent Steve Fife started an online fundraiser for Detroit Rescue Mission Ministries. DRMM is based in downtown Detroit, providing shelter,

food, and treatment options for the homeless population. "I chose to work with the Detroit Rescue Mission," explained Kellen, "because I felt that it would be the best organization where I could create the biggest impact. They serve thousands of people daily and are struggling to provide basic necessities."

## BHHS BAND MEMBERS BRING JOY THROUGH MUSIC

A special performance was created by 45 of Bloomfield Hills High School's most dedicated band students. They braved 20 learning engagements a week and a world wide pandemic to complete this optional performance. We are all very proud of them, their dedication to music, and their performance. To view the performance, go to [www.bloomfield.org/2020bandvideo](http://www.bloomfield.org/2020bandvideo).

## VIRTUAL BABYSITTERS

With students at home and parents needing to work from home, occupying young minds and holding attention spans can be a real challenge. That's why Noah Yaker and Noah Roslin co-founded Big Buddies of Bloomfield, a service geared toward helping parents keep their elementary school-age children productively occupied. "The service offers an elementary school child with a high school buddy who can spend time doing productive activities virtually," says Noah Yaker. "Parents can select how they would like us to engage with their child - from educational activities, educational games, reading, homework help, or outdoor activities."

Yaker and Roslin have selected 16 high school students to be buddies and offer bios of each student on the website so parents can partner their child with a buddy who matches their child's interests. While the service is free, the students ask for a \$10/hour donation, 100% of which will go to the United Way for SE Michigan COVID-19 Community Fund. Learn more: [bigbuddiesofbloomfield.squarespace.com/](http://bigbuddiesofbloomfield.squarespace.com/)

EXECUTIVE DIRECTOR  
Cathie Badalamenti

As the school year comes to a close, your BHS Foundation board is taking time individually and as an organization to reflect on the past year. We are evaluating how we can meet challenges and effect change, and how we can best support our students, staff, and schools to do the same.

**Foremost in our hearts and minds are the historic challenges of the last several months** — the impact of the COVID-19 pandemic and its effect on our social and economic livelihoods, and the fear, anger, and frustration wrought by the systemic racial inequalities that continue to hurt our communities.

**Guiding our reflection is our grant-making mission**, which supports learning and development experiences for every BHS student. Our teachers and program leaders annually request funding for creative ideas, innovative materials, and engaging opportunities. Each year, with support from donors like you, we grant tens of thousands of dollars for educational activities in academics, the arts, STEM, special education, and more. Many grants have targeted diversity and emotional health initiatives, such as:

- The annual district-wide Multicultural Celebration
- The World Religions Journey for all BHS seventh graders
- Diverse book collections at Eastover, Way, and Bloomin' Tots
- Health and wellness pamphlets for BHHS students

Our Compass Fund, established by alumni in 2017, explicitly supports social and emotional health programs. This year, the Compass Fund grant was awarded to Bloomfield Youth Assistance to develop a Peer-to-Peer support group at BHHS.

**Moving forward, we must do more.** We are proud of the support we've provided over the last six years, and we know we can do even better, especially around programs that advance diversity and inclusion. We thank you for your generous financial gifts that have funded enriching resources and advanced educational opportunities.

We recognize there's more work to be done. We need to raise more funds to expand our capacity to:

- Help our BHS community return to school in a safe, supportive environment.
- Fund instructional support for social-emotional wellness and racial equality and inclusion.
- Support BHS in its ability to continuously meet the educational needs of every student in our changing world.

**How can you help?** We are actively working with our district administrators and educators to identify critical resources and instructional support. We will continue to update you on the requirements and initiatives we are targeting. You can help immediately by:

- Influencing our mission and focus as a committee or board member.
- Making a donation today; every gift counts.

Our shared strengths can improve the lives of our students for their futures at BHS and beyond.

Sincerely,  
Mary Ellen Miller, President June 2020

HELP TO INFLUENCE THE MISSION OF THE BHS FOUNDATION AND IMPACT THE LIVES OF OUR BHS STUDENTS. JOIN A BHSF COMMITTEE:

- ALUMNI RELATIONS
- COMMUNITY OUTREACH

Summer is here and we hope our students continue to foster their innovation, curiosity and drive to learn and impact the world around them. Our goal is to provide opportunities that allow children to return in the fall feeling confident, competent, and eager to take on the academic year ahead. Students that stay involved with brief learning routines throughout the summer months return to school more confident and prepared for the next year's learning.

# On August 4, 2020, the voters of Bloomfield Hills Schools are asked to consider a \$200M bond.

## WHEN IS THE ELECTION?

Tuesday, August 4, 2020. The polls will be open from 7 a.m. until 8 p.m. Absentee ballots will be available after June 20, 2020, and can be cast through Election Day.

Teaching and learning has changed a great deal in the 65 years since our schools were built. New, flexible, adaptable spaces will provide Bloomfield Hills Schools' students and teachers the ability to explore the present and prepare for the future.

The bond covers critical issues across the district, including:

- Safety
- Teaching & Learning Environments to meet all needs
- Access for all students
- Community spaces

For a complete list of projects, facts and figures, and a transition plan, visit the dedicated Bond 2020 website at [www.bloomfield.org/bond](http://www.bloomfield.org/bond).

## WHAT IS ON THE BALLOT?

A \$200,155,000 bond proposal is on the ballot. If approved, the \$200.155 million bond proposal is projected to increase the current tax rate by 1.85 mills (which is equal to \$1.85 per \$1,000 of a homeowner's taxable value).

Residents can calculate their monthly cost by using the tool available on the website: [www.bloomfield.org/bond](http://www.bloomfield.org/bond).

## AUGUST 4 BOND MEETINGS

The district is hosting online meetings to inform citizens about the bond proposal on the August 4, 2020 ballot. All are welcome to attend; you do not need a Facebook account to view and participate in the meeting.

[www.facebook.com/BHSchools](http://www.facebook.com/BHSchools)

July 8 at noon

July 22 at noon

July 30 at noon
