

BHS Senior Internship Program
Mentor Responsibilities

The role of the senior mentor is critical to the success of the program. Mentors provide oversight and guidance to interns during their internship. The following is an overview of mentor responsibilities:

Weekly communication and/or virtual meetings with your intern to review journal entries and discuss their internship experience

Communication with the intern's sponsor to check on their progress

Oversight of student completion of program requirements

Schedule the formal student presentation

Complete the final mentor evaluation & submit to Sharon Comblo
