(Please see carrier plan documents for rules around when dependents would lose eligibility – it is your responsibility to notify your employer when a dependent is no longer eligible).

HOW TO ENROLL

IMPORTANT – Lewis Central CSD will have a passive enrollment this year. This means that the plans you are enrolled on and dependents you are covering for the current 2021 plan year will roll over to the 2022 plan year. **HOWEVER**, your health savings account (H.S.A.) and flexible spending account (F.S.A.) elections **WILL NOT** roll over – you must elect these contributions on the online platform every year. You may also want to check your profile and dependent information to verify contact information and student status.

To enroll, you will need to contact a benefit enrollment counselor at 844-708-5600.

Once you have made your elections, you will not be able to change them until the next open enrollment period unless you have a qualified change in status.

EFFECTIVE DATES

The plan year for benefits runs from July 1, 2022 through June 30, 2023. The benefits you elect during your initial enrollment will be effective the first of the month following your date of employment and will continue through June 30, 2023.

HOW TO MAKE CHANGES

Unless you have a qualified change in status, you cannot make changes to the benefits you elect until the next open enrollment period. Qualified changes in status include: marriage, divorce, legal separation, birth or adoption of a child, change in child's dependent status, death of spouse, child or other qualified dependent, change in residence due to an employment transfer for you or your spouse, commencement or termination of adoption proceedings, or change in spouse's benefits or employment status, reduction in hours, or marketplace open enrollment. See HIPAA Special Enrollment Rights later in this packet for notification requirements.

SUMMARY OF BENEFITS FOR 2022-2023 PLAN YEAR

Medical and Prescription Drugs – Gravie / Aetna

- Deductibles and out-of-pocket maximums run on a calendar year.
- The District will offer two medical plans open for enrollment to all eligible employees; the \$2,000 out-of-pocket maximum plan, and the \$3,500 High Deductible Health Plan (HDHP) that is HSA eligible.

Health Savings Account (HSA) – iSolved

- Health savings account administrator: iSolved
- HSA limits for 2022 are \$3,650 for a single plan and \$7,300 for a family plan.
- The District **will contribute a maximum of \$1,200** into each employee's HSA prorated depending on the date of your benefit eligibility

Dental – Delta Dental

Minimum account balance to invest:	\$2,000

Account Provisions

Who is eligible?

- 1) Anyone covered under a qualified High Deductible Health Plan (HDHP) on the first day of the month, but not covered under any other medical plan.
- 2) Anyone not enrolled in Medicare. **Note:** an actively at-work employee who is older than 65 may not enroll in an HSA unless he/she has waived Medicare.

For individuals who delay enrolling in Medicare, Part A coverage may retroactively begin six months prior to their application date. To avoid making excess HSA contributions (and incurring a tax penalty), CMS recommends that individuals stop contributing to their HSAs at least six months before applying for Medicare.

- 3) When enrolled in an HSA, member and spouse (if applicable) may only participate in a "limited-purpose" flexible spending account.
- 4) Anyone not claimed as a dependent on another person's tax return.

Is there a limit on the amount that can be contributed per year?

\$3,650 for an individual plan, \$7,300 for a family plan for 2022. These numbers are indexed annually by the Treasury Department. In addition, individuals age 55 are allowed a \$1,000 catch-up contribution.

What are the advantages of enrolling in a HSA?

- 1) Monies go in tax-free.
- 2) Monies grow tax-free.
- 3) Monies come out tax-free if spent on qualified medical expenses.
- 4) Unspent monies roll over year to year, grow, and earn interest.
- 5) The account owner decides whether to use the HSA dollars for current expenses or to save them for future expenses.
- 6) The account is portable.

What expenses are eligible for reimbursement?

Internal Revenue Code Section 213(d) medical expenses for the employee and qualified dependents (even if the dependents are not on the employee's HDHP); COBRA premiums; qualified long-term care expenses; retiree medical premiums to employer-sponsored medical coverage (if age 65 or older); Medicare Parts B & D premiums, but not Medicare supplement premiums.

What if funds are used for non-qualified expenses?

Distributions for an account owner under age 65 are subject to income tax plus a 20% penalty. Distributions for an account owner 65 and older are subject to income tax only.

A Better Way to Pay for Health Care - Today and Tomorrow

As health care costs continue to soar, finding ways to offer affordable health benefits to your employees is a persistent challenge. Now you can leave employees with more spending money per paycheck while they save money on out-of-pocket health care expenses with a Health Savings Account (HSA) solution from isolved Benefit Services.

An HSA is a tax-advantaged savings account that is used in combination with a High Deductible Health Plan (HDHP) and gives your employees a simple way to manage health care costs. They can use the HSA funds to cover qualified medical expenses.

How HSAs Work:

With the isolved Benefit Services HSA, any earnings on your contributions are tax-advantaged. The HSA account is funded by pre-tax contributions by the employee. This gives employees a great tax benefit while you, their employer, pay less in FICA and FUTA payroll taxes. When an employee incurs a qualified medical expense, they can pay using the debit card, online bill pay or other methods.

If the employee doesn't have enough money in their HSA to cover a medical expense, they can make a partial payment and pay the difference using another method. There is no "use it or lose it" condition. Any unused funds remain in the account and continue to accrue interest until used.

More information on HSA plans can be found on the U.S. Department of Treasury website at www.treas.gov. (Hint: search on HSA)

isolved Benefit Services HSA helps you:

- ✓ Add depth and flexibility to your employee health benefits and retirement plans
- ✓ Reduce FICA and FUTA payroll taxes
- ✓ Save on health insurance premiums by offering HSAs along with high-deductible health plans
- ✓ Get access to secure and easy-to-use online, self-service portals available 24/7/365
- ✓ Promote healthier lifestyle choices through increased involvement and use of 100% covered preventative care
- ✓ Go Green with paperless online claims, direct deposit reimbursement and electronic statements

isolved Benefit Services HSA helps your employees:

- ✓ Offset rising health care costs with tax-free funds
- ✓ Plan for future health expenses with tax-free investment accounts - no "use it or lose it" annual requirement
- ✓ Easily monitor health spending with convenient debit cards and secure online account access
- ✓ Plan for retirement - after age 65, participants can use HSA funds for non-qualifying expenses

Features and Functionality

By offering isolated Benefit Services HSAs to your employees, you can fight rising health insurance costs, offer greater depth and flexibility in your benefits packages, and promote healthy lifestyles with these powerful features:

Features

isolated HSAs are administered on the same platform as isolated FSAs, HRAs, Transit or Parking plans, creating a single online portal or mobile phone app experience for the user.

Automated scheduling of lump sum, first of the month, or payroll cycle contributions allows for easy mid- year enrollments

Monthly reports generate automatically, with e-mail alerts directing recipients to secure portals for viewing, creating a virtually paper-free administration process

Employees can access funds through online distribution requests, or by using a convenient benefits debit card

An integrated debit card provides seamless, flexible fund access and compliance

Employees may receive manual distributions by direct deposit or check

Employees can view account details, request distributions, update addresses, change payroll deduction elections, view statements, change beneficiaries, or allocate funds into an array of mutual funds using convenient online portals

Easy online enrollment creates an HSA account with direct deposit and investment options

Automated communication and e-mail alerts ensure consistent messaging

FDIC-insured cash and interest bearing account

At isolated, delivering easy-to-use solutions backed by the highest levels of service is our top priority. We offer a cloud-computing solution designed to provide you and your employees with the functionality, reliability, and integration you need.

Achieve your best health

Gravie and PreferredOne have partnered to bring you Care Advantage—a suite of services that meet members where they are in their journey toward optimal health.

With Gravie's Care Advantage program, members with complex health conditions have access to the tools they need to improve, and in some cases, prevent their condition from worsening. Gravie's Care Advantage Program includes steps for prevention, improving health, reducing the risk of unplanned hospital and emergency room visits, and other complications. Members have access to registered nurses, social workers, and physicians as needed. Gravie's Care Advantage Program is available to all members at no cost.

What's included

Case Management

Working with you and your health care providers, PreferredOne's case managers coordinate your plan. Your case manager will become familiar with your case and will help manage your complex condition to get the best health care results efficiently and cost-effectively.

Chronic Illness Management (CIM)

Living with a chronic illness can be a challenge. PreferredOne's RNs and social workers can help you:

- Track important signs and symptoms of an illness
- Learn helpful ways to follow your treatment plan
- Maximize office visits with your providers
- Get in touch with your providers in a timely manner
- Get ongoing support, education, and motivation toward lifestyle changes

Treatment Decision Support (TDS)

During your pregnancy, PreferredOne's Healthy Mom and Baby program will provide the support you need between office visits. Pregnant mothers have access to additional resources and a certified nurse line at no additional cost.

How it works

Step 1

PreferredOne will initiate contact with qualified members based on your health history. Or if you would like to get started now, call **1.800.940.5049**, enter #1 and ext. 3456.

Step 2

You will be assigned a case manager. Connect with them ongoing to help coordinate and advocate for high-quality care on your health journey.

Common case management conditions:

Cancer, stroke, kidney disease, liver disease, transplants, spinal cord injury, traumatic brain injury, newborn with complications, depression/mental health issues

Common chronic illness management conditions:

Diabetes, ALS, coronary heart disease, cystic fibrosis, heart failure, chronic obstructive pulmonary disease, asthma, ulcerative colitis, parkinson's disease, crohn's disease, rheumatoid arthritis, lupus, multiple sclerosis

Value Max

At Magellan Rx Management, we understand the need for more affordable specialty medications. Our Value Max program helps us identify copay assistance available for costly specialty drugs.

How Does Value Max Work?

Since your benefit plan uses Magellan Rx as their exclusive specialty provider, you are able to take advantage of the Value Max program. Here are a few things you should know:

- The copayment for your specialty medication will be raised to maximize manufacturer copay assistance.
- This increased member responsibility will be paid by the copay assistance program so that your cost stays the same.
- Member assistance dollars paid by the drug manufacturer will not count toward your deductible and out-of-pocket maximum.

Access our Convenient Member Services

With the Value Max solution, you can also take advantage of our specialty pharmacy mail services. We make it easy for you to quickly get your specialty medications while providing additional support to help you stay on track.

Magellan Rx is committed to helping our members live healthy, vibrant lives. If you have any questions about your prescription benefits, including the Value Max program, please contact customer service at 800.424.0472.

Save time and money with a 90-day supply of your medications by mail

Gravie partners with Magellan Rx Management to provide pharmacy benefits through your health plan.

If you take maintenance medications for long-term conditions like arthritis, asthma, diabetes, high blood pressure or high cholesterol, you could save with home delivery through Magellan Rx Pharmacy.

How to get started

Getting started with home delivery is easy! First, ask your doctor to write two prescriptions:

- ① 30-day supply to fill at your local pharmacy
- ② 90-day supply plus refills to fill by mail

Next, you may either ask your doctor to e-prescribe to Magellan Rx Pharmacy, LLC (Mail-ORL) or fax your prescription to [888-282-1349](tel:888-282-1349).

- Faxed prescriptions may only be sent by a doctor's office and must include patient information and diagnosis.
- For prompt delivery, please provide your payment information by mailing in your completed home delivery order form or by calling **800-424-8274**.

Mail your 90-day prescription and completed order form with payment to Magellan Rx Pharmacy, P.O. Box 620968, Orlando, FL 32862.

Home delivery order forms are available at www.magellanrx.com/member/forms

Save Money

Depending on your plan design, you may be able to get a 90-day supply of your medication for less money than three separate fills. And standard shipping is free!

Save Time

Easily refill your medication one time every three months either online or by phone. That means no more drive time or waiting at the pharmacy!

Peace of Mind

Your medication is mailed to you, quickly and securely. Registered pharmacists check all orders and are available to help 24 hours a day, 7 days a week.

When should I use a retail pharmacy?

You should use your local retail pharmacy for the first 30-day prescription of a maintenance medication you get from your doctor as well as prescriptions received for an acute condition, like an infection.

When will I receive my medication?

Your order should arrive 7-10 days after Magellan receives your prescription. They may need to contact your doctor for more info. To avoid delays, be sure to fill out all forms completely and include payment if you know the amount due. Orders with multiple prescriptions may be shipped separately.

Can I set up my prescription to refill automatically?

Yes. You can set up an auto refill to receive eligible home delivery refills automatically. To enroll, call [800-424-8274](tel:800-424-8274).

How much are the shipping charges?

Standard shipping is always free. You can choose expedited shipping for an additional charge if you want to receive your medication sooner. Please note that expedited shipping only reduces the transit time and does not impact prescription processing time.

What happens if I don't receive my order?

Making sure you have the medication you need is Magellan's top priority. If you don't receive your order within 10 days, please call [800-424-8274](tel:800-424-8274).

Do prescriptions expire?

Most prescriptions, including refills, expire within six months to one year from the day they are written. If this happens you'll need a new prescription from your doctor, even if you have refills remaining.

How are controlled substances handled?

A controlled substance, such as a narcotic, has strict guidelines and may be handled differently than a non-controlled medication. We adhere to federal and state laws in the dispensing of all medications and will contact you if additional information is needed to process a controlled substance prescription.

For questions about your pharmacy benefits plan, call the Member Services number on your member ID card.

For home delivery questions, call [800-424-8274](tel:800-424-8274). Representatives can answer questions, check the status of an order, or place a refill order. Pharmacists are also available to help 24 hours a day, 7 days a week.

To GoSM

Increase Your Annual Benefit Maximum

To Go allows you to carry over any unused annual maximums from one year to the next. This benefit offers more flexibility and helps you plan for more extensive and costly dental treatments in subsequent years.

How To Go Works

For example, if your plan has an annual maximum of \$1,250, here is how you can use To Go.

Year 1		Year 2		Year 3	
Annual Benefit Maximum	\$1,250	Annual Benefit Maximum	\$1,250	Annual Benefit Maximum	\$1,250

		Unused Annual Benefit Maximum	\$1,500	Unused Annual Benefit Maximum	\$1,000
		To Go - Annual Maximum Carryover (for use in year 3)	\$1,250*	To Go - Annual Maximum Carryover (for use in year 4)	\$1,000*

Questions?

If you have any questions about your dental benefits, visit the Delta Dental website at deltadentalia.com and log into the Member Connection or you can call customer service at 800-544-0718.

To Go Guidelines:

1. You must be covered under the plan for the full benefit plan year, with coverage for major services, and not subject to any benefit waiting periods for these services.
2. You must have submitted at least one claim during the benefit plan year that would apply to your annual maximum.
3. The carryover amount may not exceed the amount of the regular annual maximum and the total combined annual maximum may not exceed twice the regular annual maximum.

* The To Go - Annual Maximum Carryover amount cannot exceed the annual benefit maximum.

VISION CARE MATTERS

Eye care goes beyond vision. Your eyes say a lot about you — from your emotions to your overall health. Being proactive about protecting your eyes makes a clear, positive impact. Regular eye exams not only correct vision problems, but they also can reveal early warning signs of more serious health conditions such as hypertension, cardiovascular disease and diabetes.¹ So put yourself on a path to better health by scheduling eye exams annually.

KEEP ON SAVING

You can use your DeltaVision discount as often as you like all year long on nearly all your vision care purchases at participating providers.

FLEXIBLE SPENDING ACCOUNTS (FSA) iSolved

Plan Overview

Pre-Tax Premium Benefits

This plan allows you to fund several of your premium contributions with pre-tax dollars and to fund either a Health Care Reimbursement Account and/or Dependent Care Reimbursement Account. Your contributions are deducted from your gross wages before FICA, Federal and State taxes are deducted. You save money because you are taxed at a reduced income level. Your taxes are calculated after your premiums and reimbursement account monies are deducted from your gross wages.

Health Care Reimbursement Accounts

This plan allows you to defer pre-tax dollars into a Health Care Reimbursement Account to pay for certain IRS-approved medical care expenses not covered by your insurance plan with pre-tax dollars. Some examples include:

- Deductible, coinsurance and copayments
- Over the counter medications – with prescription
- Dental services and orthodontia
- Vision services, including contact lenses, contact lens solution, eye exams and eyeglasses
- Hearing services, including hearing aids and batteries

Health Care Maximum: \$2,850

Limited Purpose Account

If you are enrolled, or planning to enroll in a Health Savings Account (HSA) and wish to enroll in a Flexible Spending Account (FSA), you must enroll in a Limited Purpose FSA to be used for Vision and Dental expenses only.

Limited Purpose Maximum: \$2,850

Dependent Care Reimbursement Accounts

This plan allows you to defer pre-tax dollars into a Dependent Care Reimbursement Account. You may request reimbursement as you incur expenses to provide day care for qualified dependents: children under age 13, or an older disabled dependent child, or a disabled adult.

Dependent Care Maximums: \$5,000 if married filing jointly or head of household;
\$2,500 if married filing single.

Plan Provisions

Please Note: Your election in the Lewis Central CSD Section 125 Flexible Benefit Plan is irrevocable for the entire plan year (July 1st through June 30th) without a qualifying change in status (i.e. birth, adoption, divorce, job status change, etc.) Please be advised that any unused FSA monies over your allowed rollover amount will be forfeited back to the Plan at the end of the plan year.

Rollover Feature

Participants in a Health Care Reimbursement Account are allowed to rollover up to \$570 per year. The maximum election will continue to be \$2,850; rollover funds will be added to the maximum. If you are going to enroll in the high deductible health plan for the first time and you have funds to rollover, you must designate and use the rollover amount for limited purpose only (dental and vision) to be eligible to open a health savings account.

- These funds will rollover into the new plan year once the current plan year's runout period has ended.

Claim Submission

Claims may be filed by mailing, faxing, or online. Please be aware that your plan has a run out period, after the end of the plan, where you may still file claims. Remember that the expense, however, must have been incurred during the plan year.

FSA Debit Card

All enrollees receive an FSA debit card to pay for eligible expenses at the time of claim. You automatically receive 1 card and may request 1 additional card for a dependent. Any additional cards or replacement cards are subject to a fee. Your FSA debit card comes fully loaded with your annual election amount on the effective date. Your debit card will be reloaded each year IF you re-enroll in the FSA. Funds expire annually but your debit card is valid until the expiration date on the card.

Claim Processing

Claims are processed on a daily basis. Reimbursements may be automatically deposited into your checking account.

Flexible Spending Accounts.

Flexible. Simple. Hassle-free.

Are you hesitant to sign up for the company FSA? Now is the time to take advantage of savings and benefits that come along with an FSA.

Higher Take-Home Pay

Higher take-home pay is one of the most appealing benefits of enrolling in an FSA. Learn more about an FSA and what is covered. You might be surprised to see how many items you're already buying are eligible under an FSA.

Auto Approval... Now that's something to flip over

Auto-approval (adjudication) on 93% of claims paid on the debit card. This means that you don't have to spend a lot of time submitting receipts, since the system will automatically approve payment for the items.

Easy FSA access any way you look at it

KBSFLEX Mobile App allows access to your account balance. See how much you have to spend on qualified health or dependent care expenses at time of purchase. Also, submit claims for reimbursement and upload receipts using the camera on your mobile device.

Lighten your childcare expenses!

FSA Dependent Care can save you up to 30% on eligible child-care expenses, such as day-care, in-home care, nursery school, pre-school, and other qualifying care for dependents under age 13. A Dependent Care FSA also can cover adult relatives unable to provide their own care.

Transforming employee experience for a better today and a better tomorrow.

Flexible Spending Accounts

REAL SAVINGS. REAL SIMPLE.

Using a Flexible Spending Account (FSA) is a great way to stretch your benefit dollars. You use pre-tax dollars in your FSA to reimburse yourself for eligible out-of-pocket medical and dependent care expenses. That means you can enjoy tax savings with the convenience of a prepaid benefits card. And that makes real sense.

WHAT IS AN FSA?

With an FSA, you elect to have your annual contribution (up to the annual limit set by the IRS) deducted from your paycheck each pay period in equal installments throughout the year. The amount of your pay that goes into an FSA will not count as taxable income, so you will have immediate tax savings. FSA dollars can be used during the plan year to pay for qualified expenses and services. Please check with your employer to see what plans are offered.

A Health FSA allows reimbursement of qualifying out-of-pocket medical expenses.

A Dependent Care FSA allows reimbursement of dependent care expenses, such as day care, incurred by eligible dependents.

A Limited Purpose Health FSA is compatible with a Health Savings Account (HSA). A limited FSA only allows reimbursement for preventive care, vision and dental expenses, keeping the employee eligible to contribute to an HSA.

With all FSA account types, you'll receive access to a secure, easy-to-use web portal where you can track your account balance, view your investment accounts and submit requests for reimbursements.

In addition, your plan might offer a convenient prepaid benefits card to make it easy to pay for eligible services and products. When you use the card, payments are automatically withdrawn from your account, so there are no out-of-pocket costs and you likely won't have to submit receipts to verify the purchase. Just swipe the card and go. It's that easy!

Throughout the year, you'll likely find yourself with expenses for yourself and your family that insurance won't cover. By taking advantage of a health care FSA, you can actually reduce your taxable income and reduce your out-of-pocket expenses when you use your FSA to pay for health care services and products you'd purchase anyway.

Is an FSA right for me? An FSA is a great way to pay for expenses with pre-tax dollars. A Health Care FSA could save you money if you or your dependents:

- Have out-of-pocket expenses like **co-pays, coinsurance, or deductibles** for health, prescription, dental or vision plans
- Have a **health condition that requires the purchase of prescription medications** on an ongoing basis
- Wear **glasses or contact lenses** or are planning **LASIK surgery**
- Need **orthodontia care, such as braces**, or have dental expenses not covered by your insurance

A Dependent Care FSA provides pre-tax reimbursement of out-of-pocket expenses related to dependent care. This benefit may make sense if you (and your spouse, if married) are working or in school, and:

- Your **dependent children under age 13 attend day care, after-school care or summer day camp**
- You **provide care for a person of any age who you claim as a dependent on your federal income tax return** and who is mentally or physically incapable of caring for himself or herself

An FSA is a great way to pay for expenses with pre-tax dollars.

- Enjoy significant tax savings with pre-tax contributions and tax-free distributions used for qualified plan expenses
- Quickly and easily access funds using the prepaid benefits card at point of sale, or request to have funds directly deposited to your bank account via online or mobile app
- Reduce filing hassles and paperwork by using your prepaid benefits card
- Enjoy secure access to accounts using a convenient Consumer Portal available 24/7/365
- Manage your FSA “on the go” with an easy-to-use mobile app
- File claims easily online (when required) and let the system determine approval based on eligibility and availability of funds
- Stay up to date on balances and action required with automated email alert and convenient portal and mobile home page messages
- Get one-click answers to benefits questions

With the convenience of a mobile device, you can see your available balance anywhere, anytime as well as file claims and upload receipts.

PLAN AHEAD Before you enroll, you must first decide how much you want to contribute to your account(s). You will want to spend some time estimating your anticipated eligible medical and dependent care expenses for the calendar year.

As of October 31, 2013 the US Treasury Department modified its Health Flexible Spending Account (FSA) Use-or-Lose rule to allow up to a \$550 carryover of Health FSA funds. The carryover option is based solely on your employer's plan design. Not every company allows a carryover. Some employer plans may establish a lower maximum limit than \$550, but it must be uniformly applied to all eligible participants. The carryover is applicable only to Health FSAs (not to Dependent Care FSAs). Any unused amount above the carryover limit is subject to forfeiture and cannot be cashed out or transferred to other taxable or nontaxable benefits (e.g., HSAs).

LONG TERM DISABILITY INSURANCE

Madison National

Lewis Central CSD provides full-time employees with long term disability income benefits, and pays the full cost of this coverage. In the event you become disabled, disability income benefits are provided as a source of income.

Plan Overview	
Benefit Amount	60% of monthly salary
Own Occupation Period	2 years
Elimination Period	Accumulated sick leave plus 15 days
Maximum Benefit Period	Social Security Normal Retirement Age (65)
Maximum Benefit Amount	\$6,250
Survivor Benefit	3 months
Zero Day Residual	Zero day residual stipulates that full-time or part-time work in which the employee is performing all of the material duties of his or her regular, or some other occupation, will not interrupt the qualifying (elimination) period, or the period of disability
Pre-Existing Condition Waiting Period	None

Long Term Disability Example for Maximizing Monthly Disability Benefit

Long term disability payments are taxable to the insured to the extent they are paid by the employer. Since the employer pays 100% of the premium for LTD, 100% of the monthly benefit at time of disability is taxable. The following is an option, approved by the IRS, which dramatically increases the benefit at time of disability if you choose to have the employer paid premiums included as taxable income in your W-2.

Example of 100% taxable Benefit - 60%

Employee earning \$40,000 per year becomes disabled. The employer pays 100% of the cost of the long term disability insurance. Assume for this example that Social Security has not yet been approved. Employee actually receives only 42% of their pre-disability earnings, even though the benefit is considered to be 60% of salary.

Salary	\$3,333.33
Benefit %	0.60
Gross Mo. Benefit	\$2,000.00
Less 30% taxes	0.70
Net Mo. Benefit	\$1,400.00
Salary replacement %	0.42

Example of non-taxable benefit - 60%

Employee earning \$40,000 per year becomes disabled. The employer pays 100% of the cost of the long term disability insurance. The employee has chosen to have the amount of the employer paid premiums included as taxable income on his W-2 and he will pay taxes on the annual premium amount. Assume for this example that Social Security has not yet been approved. Employee actually receives 60% of their pre-disability earnings, which is more per year than in the taxable 60% benefit plan.

Salary	\$3,333.33
Benefit %	0.60
Gross Mo. Benefit	\$2,000.00
Less Taxes	0.00
Net Mo. Benefit	\$2,000.00
Salary replacement %	0.60
Annual difference in amount of benefit paid:	\$7,200.00

Your savings

Annual premiums at your current cost:
Employee would pay taxes on the annual premium.
Using this technique, the disabled employee would realize additional annual income of:

\$3,333/Mo. @ .189/\$100 X 12	\$75.60
30% tax = annual cost to employee	\$22.68
Net annual increase in payments to employee	\$7,177.32

This equates to over three additional months of income per year. If you earn more than \$6,000 per month, there is even greater benefit for you to take advantage of this optional technique to **safeguard your financial security. The negative impact of having a taxable disability benefit becomes even greater as the level of income increases.**

Understanding Your EAP Benefits

EFR is dedicated to helping people manage life's challenges so they can reach their full potential.

When should I call the EAP?

Call **800-327-4692** whenever you are experiencing one of life's challenges. We are available 24/7/365.

What happens when I call?

A master's level counselor will answer your call and is available to talk with you about your issues, concerns, or struggles.

The counselor will gather demographic information and help you connect with an EAP counselor.

What happens when I see the EAP counselor?

- The master's level EAP counselor will listen to your concerns.
- The counselor will also help you explore other areas of your life to assess for strengths and supports, or factors contributing to your presenting issue or concern.
- The counselor will meet with you up to **3 sessions** to complete a comprehensive assessment of your current circumstances and work with you to establish a plan.

Options for EAP sessions include:

- Assessment completed and remaining sessions are used for brief counseling and problem resolution.
- Assessment completed and a referral is recommended for services that fall outside the scope of EAP services.

Common Questions

Can I use the EAP more than once a year?

- Yes, but each time you use the EAP, the counselor will be assessing your current life circumstances. You will be eligible for a new set of **3 sessions** if your circumstances have changed, or in 12 months, whichever comes first.

What is a new set of circumstances?

- A new development in your life that has changed since your last EAP assessment, such as death of a loved one, a breakup/divorce, or job loss/layoff.

Why can't I use the EAP more often?

- EAP is an assessment, referral, and brief counseling model to help employees manage a wide variety of personal issues, but is not intended to replace therapy, treatment, or ongoing counseling.

Email: customercare@trustmarksolutions.com

Website: www.trustmarksolutions.com

Life Events is a permanent life insurance that helps shield your family from financial hardship should something happen to you or your spouse.

How does it work?

The main reason people have life insurance is for the death benefit. A death benefit puts money in your family's hands quickly when they need it most. It is money they can use any way they want to help with expenses such as:

- Funeral costs
- Rent or mortgages
- A college education for your children or grandchildren
- Household debt
- Retirement and more

Features you'll appreciate:

- Guarantee Issue defined benefit amount up to \$50,000
- Lifelong Protection – Provides coverage that will last your lifetime.
- Builds Cash Value – Can access for life's challenges
- Family Coverage – Apply for your spouse even if you choose not to participate. Dependent children and grandchildren may be covered under a Universal Life policy.
- Terminal Illness Benefit – Accelerates up to 75% of your death benefit if your doctor determines your life expectancy is 24 months or less.
- Long Term Care Benefit – Accelerates 4% each month up to 25 months without decreasing death benefit amount
- Portability – Take your coverage with you and pay the same premium if you change jobs or retire.
- Guaranteed Renewable – Guaranteed coverage, as long as your premiums are paid. Your premium may change if the premium for all policies in your class changes.
- Convenient Payroll Deduction – No bills to watch for. No checks to mail.
- Rates based on age, amount, and options elected
