

PARENT TRAINING SERIES

JOIN US FOR WEEKLY SESSIONS STARTING WEDNESDAYS AT 6:30 P.M.

SPONSORED BY:

The Hampton Township School District and Special Education Advisory Committee (SEAC) are pleased to host these sessions, designed to provide an opportunity for training and information sharing for parents. The sessions are free and Hampton Township School District parents/guardians are welcome to attend. We hope you can join us for these informative sessions!

SEAC promotes a partnership between parents, the community and the District. They work collaboratively to promote excellence and high expectations for all by embracing diversity, encouraging inclusion while promoting awareness of individual differences.

IMMERSIVE READER & MICROSOFT EDGE

May 4th at 6:30 p.m.

Join Dr. Ed McKaveney (Director of Technology) to learn and explore the web with Microsoft Edge and Immersive Reader. Learn how the Edge web browser with Immersive Reader can support reading, ESL, language learning, and more with built-in tools for accessibility, read aloud, grammar, line focus, translation and more.

OFFICE OF DEVELOPMENTAL SUPPORTS (ODS)

May 11th at 6:30 p.m.

Join Lynn Pugliano (Assistant Administrator) and Mary Evrard (Community and Communications Liaison Coordinator) from the Allegheny Department of Human Services Office of Developmental Supports (AC DHS) to learn more about human services and

community resources. ODS helps connect eligible individuals with Intellectual Disability (ID) and/or Autism to community resources, Supports Coordination, and services. This includes home and community-based services when assessed need is present and funding is available. Join us to become familiar with eligibility for ODS and what the registration process is like. Learn about community and system resources through AC DHS and other sources. Special focus will be on supports and services for people with disabilities and specifically intellectual disability and autism.

HOW TO MAKE THE MOST OF SUPPORTS COORDINATION

May 18th at 6:30 p.m.

Join Lynn Pugliano (Assistant Administrator) and Mary Evrard (Community and Communications Liaison Coordinator) from the Allegheny Department of Human Services and Office of Developmental Supports (AC DHS) to understand how a Supports Coordinator can help everyone, especially those who are planning for secondary transition. Be introduced to Charting the LifeCourse (CtLC) framework and planning tools. CtLC helps users organize ideas, create a vision, plan goals and problem-solve. CtLC can be useful in navigating systems and advocating for supports. CtLC framework was created to help individuals and families of all abilities and all ages.

OFFICE OF VOCATIONAL REHABILITATION

May 25th at 6:30 p.m.

Join Andria McCourt (Early Reach Coordinator) to learn more about navigating the PA Office of Vocational Rehabilitation (OVR) including how to open a case and potential services for individuals with disabilities.
