

Financial Aid Comparison Worksheet

Once you have submitted the Free Application for Federal Student Aid and received a financial aid award letter from more than one college, use this worksheet to compare costs. While cost alone shouldn't determine which college you choose, this worksheet will help you compare financial aid packages side-by-side and determine how much out-of-pocket expenses you may have to pay. Be sure to talk with the college's financial aid office if you have questions or concerns.
