## EARLY LEARNING AND PRE-SCHOOL HISTORY AND INTERESTS

*Early learning begins at home, and a variety of activities help prepare children for kindergarten. Completing this survey will tell us about the preschool and early learning experiences children in South Whidbey are having prior to kindergarten. It will also help us learn about new activities we might provide so all children have skills to prepare them for kindergarten.*

1. Did your child attend preschool?

Yes  No **If yes, please indicate where and when:**

Preschool Name	Hours per week	Year (s) attended

2. Did your child attend child care or spend regular time with family / neighbors/ friends?

Yes  No **If yes, please indicate where and when:**

	Hours per week	Year (s) attended
In a licensed child care center or home Name: _____		
With a friend or neighbor child care arrangement		
With a family member providing child care Please circle family member providing care: grandparent, aunt, uncle, brother, sister		

3. Does your child participate in other learning experiences?  Yes  No **Please check all that apply**
