

Careers E-Bulletin

Issue 13 – 29 April 2022

Could you offer a work experience placement?

All of our Y10 pupils will be enjoying a week of work experience, 27 June – 1 July, and they are currently trying to source a placement. Could you, or someone you know, offer a placement for the week? This is a great opportunity to nurture young talent and potentially inspire someone about their future. If you would like to offer a placement or would like further information please let me know – caroline.foster@kingsmac.co.uk Many thanks.

Y10 – Y13 Where will your subject lead you? 3 – 5 May

Unifrog are running a series of webinars for students in Y10-Y13 to explore where different degrees can lead. Each 'What can you do with a degree in...?' webinar will feature experts from universities looking at the skills different degrees teach and what careers they can lead to.

unifrog

They have focused on degrees where career pathways can be less obvious, including Sports, Sciences, English, Politics, and Modern Foreign Languages. Sign up on your Unifrog homepage.

Y10 – Y13 Apprenticeships, 9 May, 8 June, 7 July, 6pm

All About STEM, we are hosting 3 free, live Progression Sessions, on Zoom, open to students and parents who would like to know more about apprenticeships.

ASK
ABOUT
APPRENTICESHIPS

Apprenticeships

The session will look at what it means to do an apprenticeship, including levels, structure and time commitments, as well as where to find opportunities, how to apply, and what sort of progression and career opportunities are available after completion. This will include degree apprenticeships, and how to access professional careers such as accounting, architecture and law, through apprenticeship routes. Register and 'purchase' a free ticket via these links: [May 9th](#) [June 8th](#) [July 7th](#)

Y10 - Y13 NHS Allied Work Experience Programme, May - September 10am-5pm

Take your first steps towards a healthcare career with the UK's only LIVE Virtual Work Experience Programme created and delivered by healthcare professionals. Follow patients from admission to discharge in the high fidelity simulation suite, designed to provide you with an immersive experience.

The Days will take place through an online portal and run LIVE from 10am-5pm, following 2 patients. You will see

them interact with a variety of healthcare professionals so that you develop an understanding of the multidisciplinary team as well as insights into your own chosen career. Join for just one day (8 May, 5 June, 3 July, 31 July, 4 September) or all of them. The cost is £10 per session. Further information can be found here - <https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

Register here: <https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

Y12 - Get into Veterinary Medicine Conference, 15 May 9.30am – 5.30pm

This conference is a fantastic opportunity for all aspiring vets. Register here - <https://airtable.com/shrs1hEiPfdSSgnI2>. It will cover CV building, work experience, personal statements, interview training, help with accessing awards, prizes, scholarships and Leadership Programs.

They will also answer questions about UCAS and what it's like to work as a Vet day-to-day. Find out more here: <https://medicmentor.co.uk/online-get-into-veterinary-medicine-conference/>

Y10 – Y13 Jaguar Land Rover, 16 May, 5pm-6pm

Are you interested in high-end cars? If yes, this event could be for you. Jaguar Land Rover is the UK's largest investor in automotive research, development and engineering. They use world class processes to create innovative British craftsmanship and engineering excellence in over 170 markets worldwide. With exciting new products, cutting-edge facilities and continued growth into new markets, it's an exciting time to be at Jaguar Land Rover.

Hear how the company has become what it is today and their visions for the future with revolutionary new sustainable technologies particularly in the electric car space.

With a wide variety of school-leaver opportunities in a number of engineering fields, data analytics, supply chain & logistics and finance, could a career at Jaguar Land Rover be for you? Join to hear about the fascinating world of the ever evolving motor industry and learn from some of the world's leading engineering minds in the industry.
