RECOGNITION

Indian Valley Middle School – Energy Star Award

Indian Valley Middle School has earned the prestigious **ENERGY STAR** label from the United States Environmental Protection Agency (EPA). Indian Valley earned an **ENERGY STAR** score of 91, placing it in the top 10% of all schools in the nation in terms of energy efficiency.

This achievement can be attributed to the district's diligence in continued building maintenance and recent facility improvements designed to reduce energy costs and the district's carbon footprint, while supporting a healthy learning environment. The **ENERGY STAR** label reinforces Souderton Area School District's ongoing academic and environmental leadership through good stewardship of taxpayer dollars.

Mark Fennell, Account Executive from Johnson Controls, the global leader in delivering products, services and solutions that increase efficiency in buildings, presented a plaque and certificate to Bernie Currie, School Board President; Dr. Dale Burkhard, Indian Valley M. S. Principal; Frank Ball, District Operations Manager, and Craig Kulp, Indian Valley M. S. Facilities Manager.

Mr. Currie thanked the Johnson Controls company for the award and extended his thanks to Craig Kulp and his team for their excellence in maintaining Indian Valley. All of the district's Building Facility Managers were acknowledged for their hard work in maintaining all of the District's buildings.

REPORT OF THE STUDENT REPRESENTATIVES

KEITH JOHNSON – Senior – Class of 2011
KATHRYN KUNDROD – Senior – Class of 2011
RICHARD CAMUCCIO – Junior – Class of 2012
STASHA SOSNOWICZ – Junior – Class of 2012

Richard Camuccio reported on how the Link Crew helped the freshmen get acclimated to the school. The Athletic “Wall of Fame” will take place on October 1st by acknowledging some of Souderton’s greatest athletes. Fall athletic teams have been practicing and playing for several weeks. Students are excited about Homecoming that will take place on October 15th. Events that will take place are the Alumni “Hall of Fame” Assembly and Induction, the football game, and some new Alumni traditions that will be started this year. The yearbook staff has begun working on their assignments and the design of this year’s book. Richard stated that a new club that will be starting this year at the high school, with the help of the Pennsylvania Bar Association, is the Mock Trial Club. The club members will be lead by a lawyer, a Souderton alum, who will teach the students how to gather and research evidence, as well as the art of trial examination, and other details of the court system. The club will enter into competitions in the spring.

Kathryn Kundrod reported on the academics side of high school life. She highlighted several Senior Graduation projects that are taking place right now, including a student tutoring program. A College Fair is coming up in the next few weeks and it is expected to be bigger than last year. Students are excited about new courses that have been offered this year: AP Human Geography and International Business courses. The Arrowhead newspaper has begun their fall edition. Lastly, Kathryn mentioned that many students are preparing for the SAT’s that are coming up in the next few weeks.
