teachers every single day
and honor the work they
do with our students. We
are grateful for such an
amazing McGlennen staff!**

Happy May--Happy Spring! I hope this rather late newsletter finds everyone happy, healthy and gearing up for the end of the school year! We still have a lot of learning to do. Please help us out by ensuring your child or children are at school and on time every day--as long as they are healthy to do so. That being stated, if your child is not feeling well, has a fever, stomach issues, etc., please keep them home. In order for them to return, they must be symptom and fever free, without the use of medication, for 24 hours. We sanitize our school regularly and students are encouraged to wash/sanitize their hands regularly, as well. However, even with these practices in place, and following the CDC and MCHD guidelines, we can't prevent everyone from getting sick! Staying home is a good option in stopping the spread of illness. Finally, we ask that you call the office in the morning if your child is going to stay home so we can excuse them. If you have any questions or concerns, please call our office and we will gladly address them.

ENROLLMENT RALLY

Come one, come all to our first district-wide enrollment rally! On May 26, 2022, please join us at the CCS High School athletic complex. Even if your family is already enrolled, come and join us for some fun!

RUN CLUB

Thank you to our Run Club coach, Mrs. Jones and her assistant, Mrs. Furhman. We have a great group of students ready to run! We're looking forward to the 5K on Saturday, June 4, 2022. Help us cheer our runners on!

MSTEP DATES

We have been working very hard at mastering the MSTEP! So far our 5th and 3rd grade classes have tested and will finish up in the next week. 4th grade begins testing May 10, 2022.
