

SCHOOL BUILDING ADMINISTRATION

Waukeke Community School District

Policy 230

Page 1 of 1

Acting with the approval of the Superintendent, the principals shall be the chief administrators of their schools. Except as otherwise established by the Board or Superintendent, all personnel assigned to a building shall be directly responsible to the principal. Staff members who work in more than one school shall be responsible to the principal of each school in which they work during the time they are working there.

The principal is charged with the supervision and direction of the staff and the students assigned to the building, and with care of the school facility and its equipment. He/she shall see that the rules and regulations of the District, the directives of its officers, and the guidelines for the instructional program are observed. Within the framework of the policies and directives of the Board of Education and the general rules, regulations, and directives set by the Superintendent, the principal may establish and enforce such regulations as he/she deems advisable for the efficient operation of the school.
