EARLY HIGH SCHOOL GRADUATION

345.8

The Board of Education acknowledges that some students are pursuing educational goals which include graduation from high school at an earlier date than their designated class.

An application for early graduation must be submitted to the high school principal in accordance with school regulations. The principal may honor this request if all conditions for graduation are met and the student fulfills the graduation requirements.

If a decision is made to deny the early graduation request, the student or parent/guardian may appeal the decision to the Superintendent, whose decision shall be final.

The student may participate in the graduation ceremonies with his/her designated class.
