

ENTRANCE AGE

Four-year Old Kindergarten

The District shall enroll children residing in the District that have become four years of age on/or before September 1 in the year they propose to enter school. There is no early entrance option for four year old Kindergarten. As with other levels, the retention process must be applied when there is a question of a student repeating four-year old Kindergarten.

Five Year Old Kindergarten

The District shall enroll children residing in the District that have become five years of age on/or before September 1 in the year they propose to enter school. A parent/guardian may make written application to the superintendent for early entrance of a child who becomes five years of age after September 1, but before October 15. Application shall be received by May 1 and will be evaluated in accordance with established procedures.

First Grade/Primary

A child shall be enrolled in the primary school/first grade upon completion of five-year old kindergarten.

A parent/guardian may make written application to the superintendent for early entrance of a child who becomes six years of age after September 1, but before October 15 and has not completed five-year old kindergarten. Applications shall be received by May 1 and will be evaluated in accordance with established procedures.

Special Education

Given written parent/guardian request special education screening will be provided to children who have reached the age of three to determine if a child has a disability. If so, and if the parents/guardians consent in writing, resident children with disabilities will be placed in an appropriate special education program.
