Series 400: Students

SUPERVISION OF STUDENTS

455.1

When students are in school, engaging in school-sponsored activities, or traveling to and from school on school buses, they are responsible to the school, and the school is responsible for them. School personnel assigned to their supervision serve in loco parentis.

The Board expects all students to be under assigned adult supervision when they are in school, on school grounds, engaging in school-sponsored activities, or traveling under school auspices, (with the exception below). School personnel assigned this supervision are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

The school bus driver is responsible for supervision of students during the regular bus routes before and after the student's regular school day. Bus drivers are to report behavior or discipline problems to the building principal.

In keeping with this expected prudence, no teacher or other staff member shall leave his/her assigned group unsupervised except when an arrangement has been made to take care of an emergency.
