Series 500: Personnel

EMPLOYEE WELLNESS

523.4

It is important for the District to be concerned for the overall wellness of its employees, and this includes absence of disease to various levels of well-being.

Wellness is a multifaceted approach that includes exercise, nutrition, stress reduction and health/safety awareness.

The Waunakee Community School District will develop a wellness program for its employees under the direction of the superintendent or his/her designee.
