

# Eagle Vision News – May 5<sup>th</sup>, 2022

## Centerville Families,

Yes, it is May, and the end is near. In just over 3 weeks we will be saying good-bye to a great group of students, some wonderful teachers, and staff. I hope you agree that this has been a great year at Centerville Elementary. Our year has been full of learning and growth for your children. We truly appreciate your partnership in education.

Teacher Appreciation week is underway, and I am astounded at the outreach from our parents and PTA who have gone the extra mile to show our teachers much deserved appreciation for a great year. In addition to the notes and gifts received from parents, I would like to shout a big THANK YOU to our wonderful PTA who have taken such good care of our staff this week. They have served lunches and snacks and we truly appreciate them and all the parents who have so wonderfully supported this Teacher Appreciation week of deserved appreciation for our teachers.

Here are a few items of business that may be of interest:

- We are currently midway through our end of level testing. Please accept my thanks for all the families, who have really focused on helping your students to be ready for these tests. We see a real difference in those who are getting enough sleep each night and breakfast in the morning. Every time you help your student feel prepared, they really pull through. We have 2 more weeks of testing and should be completed by May 20<sup>th</sup>
- We have also begun preliminary student placements for next year. If you have not yet filled out a student placement form and would like the opportunity to give your input of what is important in the educational placement of your child, please consider filling out a form. A link for the on-line form can be found in the article below, and I welcome families to pick up a paper copy if that works better for your family.
- Our Centerville Amazing readers have met their goal for the Million Minute Reading Challenge. To reward these amazing readers, all students and their families are invited to attend a reward activity. We will be showing the first Harry Potter movie: Harry Potter and the Sorcerer's Stone. There are two showings, and we ask that Families with last names that begin with the letters A-L come on Monday, May 23 at 5:30 p.m.; and families with the last names that begin with letters M-Z come on Tuesday, May 24 at 5:30 p.m. There will be free admission for all parents, students of Centerville Elementary school and preschool students. All other attendees would need to pay to see the show. We will also have Honey Dukes Concessions for sale.
- Talent Show tryouts begin on Monday, May 9 for grades 1-3 and on May 10 for grades 4-6. Those who are selected will perform for the school talent show on May 27.

- Our PTA is planning one fantastic end to the school year. If there are anyone willing to volunteer for field day or any other activity, please contact Bryttin Jones at [bryttin101@gmail.com](mailto:bryttin101@gmail.com)

I also want to share that we had a good turnout with the martial arts 4-class character development course we offered this past couple of weeks. Championship Martial Arts has agreed to hold a summer class over the summer at their location and flyers will be going home before school is out. All proceeds for this course will go to the school.

Mr. Holmes

### **Class Placement for 2022-2023**

We invite you to take the opportunity to fill out a Student Placement Form to share your input regarding your student's placement for next year. These can be found either at the link below or paper copies can be near the front office. Either form will be available until classroom assignments have been made.

<https://forms.office.com/r/AGnrf6QHbs>
