FAQs

We are unsure at this time what our Related Arts options will be; therefore, we are asking for broad information on student preferences.

- ⇒ The related arts classes are assigned based on student preference, course availability, & schedule flexibility.
- ⇒ ALL students will take Physical Education (PE).
- ⇒ Students may be assigned to an academic intervention class or enrichment class based on academic data & state requirements. This would replace a related arts class.
- ⇒ Students enrolled in Spanish or French will continue as 8th graders. This will replace a related arts class (full year, meeting daily) both years at FMS.

Related Arts Course Options:

- Art
- Band
- Chorus
- Computer Science
- French (must qualify & must be taken both 7th & 8th grade years)
- General Music
- Orchestra
- Spanish (must qualify & must be taken both 7th & 8th grade years)
- STEM (Science, Technology, Engineering, & Math)
- Study Hall

Please list your top 6 choices in order of preference from the related arts courses listed above. Some will be on a rotation (A/B days), while others will meet daily. Because we are still working out details, the more information we have regarding preferences the better!

1st Choice: _____
