

Rosemont Elementary School Council Election

Nomination of Parent Representatives

Rosemont Elementary is now accepting nominations for parents who are willing to serve as a member of the school Council. Councils were established by the Georgia General Assembly and the Troup County Board of Education to enhance community support. We encourage all parents to nominate a worthy parent as a serving member of the council.

About School Councils:

Councils are advisory bodies and do not take the place of PTO's. They serve a 2 year term and work with the principal to increase participation by all groups and members of the school community.

Council members include:

2 teachers, 2 parents, 2-3 representatives from the business community.

The council meets a minimum of 4 times a year

Please help our school build a strong and effective council by nominating a parent you feel would be a good School Council member. Please complete this form and return to the school by **August 12th**.
