

A Special Welcome from Galloway's New Family Ambassadors

Welcome to The Galloway School!

We are excited to introduce you to some very important people - the New Family Ambassadors. The role of the New Family Ambassador is to help ease your transition into the start of the school year.

Your ambassador is available by phone, email or in person to answer any questions you might have from now until the beginning of the school year. She/he will also plan casual gatherings over the summer for new families and students to meet one another so that on the first day of school, new friendships will already be formed.

Your ambassador will be reaching out to you in the coming weeks to let you know of any social gatherings being planned, but please feel free to contact them at any point.

This is going to be a fantastic year of learning at The Galloway School, and we are so excited to share it with you. We look forward to meeting everyone!

Sincerely,

Beau Emmer, Lindsay Levin, and Marci Silverman
