

SOUDERTON AREA HIGH SCHOOL ALUMNI ASSOCIATION
TEACHER TRIBUTE GALLERY
NOMINATION FORM

The Souderton Area High School Alumni Association is featuring a permanent gallery of wooden and brass plaques (size 7x9") honoring high school teachers who have served the Souderton Area School District. Each engraved plaque will feature the teacher's name, subjects taught, and a short written tribute. The Gallery is located in the new Souderton Area High School, 625 Lower Road, Souderton, Pa. 18964. Teachers may be nominated for the Gallery by former students and SASD Alumni. There is a cost of \$125 (paid by the nominator) for each Teacher Tribute. This charge will cover the cost of creating and mounting the tribute in the Gallery. There is no limit to how many different nominations an individual can make; however, each teacher will only be featured in the gallery one time. Several people can join together to pay and nominate one teacher.

To qualify for recognition in the SASD Teacher Tribute Gallery, the teacher should meet the following criteria:

- Had a positive influence on one or more students
- Exemplified dedication to the school and students they taught
- Represented fine and moral qualities that befit a teaching professional
- Possessed an excellent knowledge and delivery of their subject matter
- A former teacher who has taught for one or more years at Souderton Area High School

Upon receipt of your nomination and payment, the SAHS Alumni Association will review your nomination and begin the process to enter the teacher into the gallery. You will be notified of the acceptance of your nomination. Each October, the new Teacher Tribute Gallery Nominees will be announced and honored at the Annual Homecoming Breakfast, which you are welcome to attend.
