

Cleveland ISD Star Students

Douglass Learning Academy

Week Ending May 6, 2022

- **Angel Gill!** (10th grade) Angel is a student who always has a good attitude and a smile on his face. He is interested and curious about learning and working hard to earn his diploma, and I'm glad to have him in class! ~G. Rappe
- **Willian Serrano!** (11th grade) Willian Serrano is a student in my welding class at Douglas Learning Academy. He is doing a great job of achieving his goal to become a certified welder. Willian is a good student and works hard at gaining as much knowledge about welding as he can. ~T. Jones
- **Antonio Mercado!** (11th grade) Antonio has been making great progress and he does a good job here at DLA. He is never an issue in class; he's someone that new students look to see how things work here. ~A. Pearson
- **Jonathan Ponce!** (12th grade) Jonathan is in the process of completing his last two courses at DLA and will then join our troop of 2022 graduates. He has been working very hard the last few weeks to achieve this goal. Keep going all the way to the finish line! Congratulations on being a STAR student!!! ~C. Millard
