December 15, 2021

Mr. David Grissom
Beaufort County School District
2900 Mink Point Blvd.
Beaufort, South Carolina 29906

Dear Mr. Grissom:

This document contains the statistics generated throughout the 2020-2021 School Year. This report documents the activities of the school resource officers during this time period. In this report you will find all incident report numbers obtained by the School Resource Officers from this school year as well as numerous graphs and charts documenting the various activities of the School Resource Officers.

The statistical data in this report may reflect a significant decrease in the numbers across several of the categories documented. The significant difference in the numbers are attributed to the COVID-19 Pandemic and the School District implementing the hybrid/virtual learning model.

If you have any questions regarding this document please do not hesitate to contact me at (843) 255-3503 or (843) 812-5257.

Sincerely,

Alfredo H. Givens, Captain
Special Services Branch
