Hi Tina,

This is the first letter. Probably the hardest to draft, as she was not directly confronted in her office or questioned about her job, such that I am unable to arrive at a conclusion that Will did anything wrong—inappropriate, certainly, but not to the point where I believe he should be cited for misconduct, as is the case with the other grievants.

I am working on the others and will forward those as I complete them. I am pretty open tomorrow and Thursday to discuss them all.

Thanks!
