

School Plan for Student Achievement: Evidence-Based Title I Funded Program Evaluation

Guiding Questions:

The district or Title I school allocates Title I funds to support a computer technician:

- 1) How does this position impact student learning and academic achievement?
- 2) What data are you using to drive this discussion?
- 3) If this program has helped improve student learning, what can be done to make it even better?
- 4) If this expenditure has not had a positive impact on student achievement, what will be done to modify, change, or replace it?

Goal 1

All students will make progress toward proficiency on the state adopted standards and English learners will make progress learning the English language.

Actions/Activities	What is working & why? (Effective indicators)	What is not working & why (Ineffective indicators)	Modification(s) based on evaluation results
<p>Classroom and School Staffing: Classrooms at CDS will be staffed with one certificated classroom teacher and one aide. The ratio of staff to students will be kept low. Classrooms will have the necessary instructional materials and technology.</p>	<p>N/A Not a Title I Funded Activity</p>	<p>N/A</p>	<p>N/A</p>
<p>Evidence Based Curriculum Implement a supplemental, evidence-based, self-paced, online curriculum for students in grades k-8 to supplement the core program that can be individualized to a student's academic level, that has the capability for both remediation and acceleration, that has assessment and progress monitoring tools, and that can follow a student as they transition back into regular school.</p> <p>EVIDENCE SuccessMaker Reading meets ESSA's "Strong" evidence criteria. Study available here: https://assets.savvas.com/asset_mgr/current/202038/SM_Reading_Report_Addendum.pdf</p>	<p>The Success Maker online curriculum is in place at CDS. This self-paced online curriculum provides students with work on essential skills based on their current levels.</p>	<p>There was limited implementation/use of this resource in 2021-2022.</p>	<p>The school will provide additional support/training in the use of this resource in 2022-2023. The district will provide additional monitoring of the use of this resource in 22-23.</p>
<p>Assessments Develop a system of assessments that</p>	<p>The school participated in the district's formative assessment system, which are</p>	<p>There is a need for teaching staff to increase/improve their use of results from</p>	<p>Teachers will be provided with support, including support from the district's team of</p>

Actions/Activities	What is working & why? (Effective indicators)	What is not working & why (Ineffective indicators)	Modification(s) based on evaluation results
<p>allow teachers, site admin., and district admin. to monitor the academic progress of students at CDS. Using a subset of district developed assessments, CAASPP Interim assessments, and/or curriculum based assessments, teachers at CDS will deliver assessments and monitor the progress of students in their class. Teachers will use information from these assessments to plan and deliver instruction and interventions. School and district leadership will use information from these assessments to plan and provide professional development and other supports for CDS teachers.</p> <p>EVIDENCE Strong Evidence:</p> <p>SuccessMaker Reading meets ESSA's "Strong" evidence criteria. Study available here: https://assets.savvas.com/asset_mgr/current/202038/SM_Reading_Report_Addendum.pdf</p> <p>Low Evidence (Recommendation is based on expert opinion derived from strong findings or theories in related areas.)</p> <ol style="list-style-type: none"> 1. Make data part of an ongoing cycle of instructional improvement (Low) 2. Teach students to examine their own data and set learning goals (Low) 3. Establish a clear vision for schoolwide data use (Low) 4. Provide supports that foster a data-driven culture within the school (Low) 5. Develop and maintain a districtwide data system (Low) <p>U.S. Department of Education. (2009). Using Student Achievement Data to Support Instructional Decision Making. Washington D.C.: What Works</p>	<p>based on an A and B set of assessments. Students showed growth in both ELA math on these assessments.</p>	<p>these assessments to plan and deliver instruction and interventions for students.</p>	<p>instructional coaches, in the analysis of assessment data and the use of this data to develop instructional plans and interventions.</p>

Actions/Activities	What is working & why? (Effective indicators)	What is not working & why (Ineffective indicators)	Modification(s) based on evaluation results
Clearinghouse.			
<p>Implement standards aligned ELA and mathematics instruction incorporating state adopted text and HESD pacing calendars.</p> <p>EVIDENCE Strong Evidence Note: The HESD Mathematics Pacing Calendar provides teachers with specific information and support to carry out each of the following recommendations* that show strong evidence from at least 1 well-designed and well-implemented experimental study:</p> <ol style="list-style-type: none"> 1. Review and integrate previously learned content throughout intervention to ensure that students maintain understanding of concepts and procedures. 2. When introducing new concepts and procedures, use accessible numbers to support learning. 3. Sequence instruction so that the mathematics students are learning builds incrementally. 4. Provide visual and verbal supports. 5. Provide immediate, supportive feedback to students to address any misunderstandings. <p>*U.S. Department of Education. (2021). Assisting Students Struggling with Mathematics in the Elementary Grades. Washington D.C.: What Works Clearinghouse.</p>	<p>Standards aligned ELA and mathematics instruction incorporating state adopted text and HESD pacing calendars is in place for all students.</p>	<p>Students attending CDS perform far below their peers in the district in both ELA and math. Students placed at CDS are often one or more years below their chronological grade level academically.</p> <p>There is a need to continue providing grade-level instruction, while also providing remediation and work on essential skills.</p> <p>There were no students enrolled at CDS in 2020-2021, therefore no state test data is available.</p>	<p>Continue providing standards aligned, grade-level instruction while providing remediation and strengthening of essential skills.</p>

Actions/Activities	What is working & why? (Effective indicators)	What is not working & why (Ineffective indicators)	Modification(s) based on evaluation results
<p>Strong/Moderate/Minimal Evidence Note: The HESD English Language Arts Pacing Calendar provides teachers with specific information and support to carry out each of the following recommendations* that show strong evidence from at least 1 well-designed and well-implemented experimental study:</p> <ol style="list-style-type: none"> 1. Teach students academic language skills, including the use of inferential and narrative language, and vocabulary knowledge. (Minimal) 2. Develop awareness of the segments of sounds in speech and how they link to letters. (Strong) 3. Teach students to decode words, analyze word parts, and write and recognize words. (Strong) 4. Ensure that each student reads connected text every day to support reading accuracy, fluency, and comprehension. (Moderate) <p>*U.S. Department of Education. (2016). Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade. School Plan for Student Achievement: Evidence-Based Title I Funded Program Evaluation

Guiding Questions:

The district or Title I school allocates Title I funds to support a computer technician:

- 1) How does this position impact student learning and academic achievement?
- 2) What data are you using to drive this discussion?
- 3) If this program has helped improve student learning, what can be done to make it even better?
- 4) If this expenditure has not had a positive impact on student achievement, what will be done to modify, change, or replace it?

Goal 3

Students will learn in a safe, well maintained school where they are supported, engaged, and connected to their school.

Actions/Activities	What is working & why? (Effective indicators)	What is not working & why (Ineffective indicators)	Modification(s) based on evaluation results
<p>STRATEGY/ACTIVITY Student Engagement Activities Develop and implement a series of hands-on activities that are designed to increase student engagement and participation in school and to reduce absenteeism and suspension rates. These activities will have links to the district's curriculum and the State Standards, but their primary focus will be teaching socially- and behaviorally-appropriate skills to replace problem behaviors using strategies focused on both individual students and the whole classroom or school. School staff, along with the district's team of art teachers, music teachers, physical education teachers, instructional coaches, and outside consultants will be utilized to develop and deliver these activities.</p> <p>EVIDENCE Strong/Moderate Evidence: Teach and reinforce new skills to increase appropriate behavior and preserve a positive classroom climate. (Strong)</p>	<p>The school developed and implemented a series of hands on activities linked to science, art, and math standards.</p> <p>Students were engaged and focused as they worked on these projects.</p>	<p>There is a continuing need for students to develop social skills, build content related knowledge, and develop their interest in academic topics.</p>	<p>The school will continue to implement these activities with an eye toward building academic achievement, improving social skills, and developing students' interest/engagement with school.</p>

Actions/Activities	What is working & why? (Effective indicators)	What is not working & why (Ineffective indicators)	Modification(s) based on evaluation results
<p>Modify the classroom learning environment to decrease problem behavior. (Strong)</p> <p>U.S. Department of Education. (2008). Reducing Behavior Problems in the Elementary School Classroom. Washington D.C.: What Works Clearinghouse.</p> <p>Provide academic support and enrichment to improve academic performance. (Moderate)</p> <p>Personalize the learning environment and instructional process. (Moderate)</p> <p>Provide rigorous and relevant instruction to better engage students in learning and provide the skills needed to graduate and to serve them after they leave school.(Moderate)</p> <p>U.S. Department of Education. (2008). Dropout Prevention. Washington D.C.: What Works Clearinghouse.</p>			
<p>Monitor Student Attendance Student attendance will be monitored daily. School staff will conduct home visits for students who are absent each day. These visits will build relationships with students' families for continued guidance and support. Students will be brought to school by staff if necessary.</p> <p>EVIDENCE Moderate Evidence: Draw on relationships with professional colleagues and students' families for continued guidance and support.</p> <p>U.S. Department of Education. (2008). Reducing Behavior Problems in the Elementary School Classroom. Washington D.C.: What Works Clearinghouse.</p>	<p>The school monitored student attendance. Students' received awards/incentives for good attendance. Students in grades 5-8 understand that an 85% attendance rate is a requisite for them returning to their home school.</p>	<p>There is a significant need to continue working with students and their families to develop good habits for school attendance. The COVID pandemic has had a significant negative impact on the development of these habits.</p>	<p>The school will continue to work with students and families to develop a culture of school attendance.</p>

Actions/Activities	What is working & why? (Effective indicators)	What is not working & why (Ineffective indicators)	Modification(s) based on evaluation results
<p>Assign adult advocates to students at risk of dropping out. (Moderate)</p> <p>U.S. Department of Education. (2008). Dropout Prevention. Washington D.C.: What Works Clearinghouse.</p>			
<p>Develop a system of supports to aid students' transition back to their regular classrooms.</p>	<p>The school developed a system to support students as they transitioned back to their home school. This consisted of support from the CDS counselor and school psychologist, the school principal, and the support at the students' home school.</p> <p>14 students were successfully transitioned back to their home schools and did not return to CDS during 21-22.</p>	<p>There continue to be students who require support in the transition from CDS back to their home school.</p>	<p>CDS School personnel, including the principal, student specialist, psychologist, and counselor will work with their counterparts at the students' home school to provide transition services with the goal of having the student be successful at the home school.</p>
<p>Provide teaching, intervention, and support for students that will lead them to acquire and apply knowledge, attitudes, and skills to manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships with peers and adults, and make responsible decisions.</p> <p>EVIDENCE Identify the specifics of the problem behavior and the conditions that prompt and reinforce it. (Moderate) Teach and reinforce new skills to increase appropriate behavior and preserve a positive classroom climate. (Strong) Draw on relationships with professional colleagues and students' families for continued guidance and support. (Moderate)</p> <p>U.S. Department of Education. (2008). Reducing Behavior Problems in the Elementary School Classroom.</p>	<p>The school had a part-time school psychologist, a part time counselor, and a drug counselor to provide services and social-emotional support for students. Students were also served by the district's social worker.</p> <p>Students received counseling, including grief counseling, drug prevention.</p>	<p>Students continue to have significant social and emotional difficulties and needs.</p>	<p>The school will implement a full-time counselor (on a temporary contract) in 22-23.</p>

Actions/Activities	What is working & why? (Effective indicators)	What is not working & why (Ineffective indicators)	Modification(s) based on evaluation results
<p>Washington D.C.: What Works Clearinghouse.</p> <p>Assign adult advocates to students at risk of dropping out. (Moderate)</p> <p>U.S. Department of Education. (2008). Dropout Prevention. Washington D.C.: What Works Clearinghouse.</p>
